St Luke’s is a Catholic co-educational College situated in the heart of the Pilbara. We offer an education in the dual ethos of both the Christian Brothers and the Presentation Sisters.

Vision and Mission of the College

St Luke’s College seeks to be the school of choice for our community, one of the best schools in Western Australia and a driving force in the development of the dynamic Pilbara region. We aim to live our vision by being a Catholic learning community developing young people to be the best they can be, make a positive difference in the world and actively live their faith.

Ideal St Luke’s College Graduate

A student who demonstrates faith, hope and integrity in their choices, demonstrates high standards, courage and persistence. We aim for St Luke’s graduates to be community minded, respectful and accountable while striving to be all that they can be — through academic achievement and taking the lead in their community

Rationale:

At St Luke’s we acknowledge the fundamental dignity of each student and seek to develop opportunities where every student and staff member can develop and improve. Our new Strategic Plan has been developed with the vision of the ideal characteristics of a graduate of St Luke’s College. Students, staff, the parent community, School Board and Parish have been involved in developing this plan.

Our Strategic Plan uses the LEAD acronym and reflects the Strategic Direction of Catholic Education in WA together with our vision for the next four years.

Objectives in this plan form the framework for our Annual School Improvement Plan and Annual Plan, which become the evaluation tools to measure the success of this Strategic Plan and inform future plans.

Learning is what we do.

We are committed to learning at every level. (Enhance student achievement and well-being. Increase student and staff engagement in their own learning and faith formation)

Objective 1: To work continuously to ensure that our academic results improve and are an accurate reflection of our context.

Objective 2: To ensure appropriate pathways are available for each of our students, including adequate vocational training programs, ATAR and differentiated learning.

Objective 3: To build and recognise exceptional teaching practice and teaching practitioners

Objective 4: To use research and data to guide our implementation of educational strategies and teaching styles

Objective 5: To increase both staff and students understanding of Catholic life, faith and practice through teaching and learning

We are committed to Catholic Education’s mission through relationship with all.
Engagement is essential.

We are committed to Catholic Education's mission through relationship with all.

(Enhance parental engagement in their child’s learning and faith formation. Develop our people to be leaders in Catholic Education’s mission)

Objective 1: To continue to improve parental and community engagement in our College, across a diverse range of areas.

Objective 2: To improve parental support of the entire life and ethos of the College, including extra-curricular, academic and faith life.

Objective 3: To effectively communicate our programs and goals to parents and the wider community in order to ensure their full involvement.

Objective 4: To better capitalize on the marketing opportunities available to best place the College in the Pilbara education market.

Accountability is not optional.

We have personal and collective responsibility for our system’s success.

(Increase understanding of our individual and collective responsibility for Catholic Education's mission. Ensure inclusivity, good governance and the resource allocation required to meet our mission)

Objective 1: Ensure the financial sustainability of the school.

Objective 2: Provide an environment where technology is appropriately and innovatively used in order to benefit teachers and students.

Objective 3: Generate and reinvest capital reserves into the school.

Objective 4: Ensure that our buildings and infrastructure are adequately maintained and planning for the future takes place.

Objective 5: Position St Luke’s as a school of choice, which is reflected in maximum enrolments.

Discipleship is our calling.

We are committed to developing our relationship with Jesus.

(Enhance opportunities for personal faith formation. Increase enrolment of vulnerable, poor and marginalized as a visible sign of our faith in action.)

Objective 1: To ensure that the College is able to effectively cater for families in need, through enrolment practices and pastoral actions.

Objective 2: To encourage the faith formation of the staff of the College, including staff faith days and opportunities for staff to attain the appropriate Accreditation.

Objective 3: To continue to develop close ties with St Paul’s Parish.

Future expansion objectives

Objective 1: Evaluate upgrading and extension of specialist class facilities available in light of the current curriculum and age of facilities. This primarily affects the Science, Food Technology and D&T facilities.

Objective 2: Plan to expand the school from 3 streams to 4 as demand grows from population growth in the town and increased reputation of St Luke’s.

Objective 3: Evaluate the benefits, demand and economics of providing a residential facility allowing students to board in Karratha rather than boarding at a school in Perth.

Objective 4: Evaluate the longer term opportunities for the school to expand to include a K-6 offering to cater for additional demand and act as an additional feeder to the 4th stream.
