St Luke’s College, Karratha, is seeking a full-time, ongoing teacher of Science. The ability to teach ATAR Human Biology, Biology or Maths would be highly regarded, as would the ability to teach Religious Education.

Our College mission is to develop young people in the traditions of the Christian Brothers and the Presentation Sisters to be the best they can be, make a positive difference in the world and actively live their faith. St Luke’s College is the Pilbara’s only Catholic secondary school, currently catering for 390 students in Years 7 to 12. We enjoy an excellent relationship with both local industry and community and are continually seeking to improve upon our resources. A new, modern teaching block was completed in 2015 and the College is currently building a new Performing Arts Centre, incorporating digital media lab and astronomy observatory. We are strongly focused on student improvement and have a committed vision to be the school of choice for our community and one of the best schools in Western Australia.

Our Science department is innovative and widely employs the use of technology as a teaching tool. Our students are also involved in STEAM learning across numerous subject areas, supported by their Science teachers. The College also offers a wide range of Science courses at senior secondary level.

The Pilbara offers exciting opportunities for an adventurous lifestyle, with excellent facilities, but away from the traffic burden of Perth. Karratha lies on the coast, closely proximal to the beautiful Dampier Archipelago and within holiday distance of Broome, Coral Bay, Karijini National Park and everything in between. The lifestyle particularly caters for families. Housing is available, as well as incentives, through the Remote Area Package.

Selection Criteria:

- Be supportive of the Catholic ethos and the Christian Brothers/Presentation values of the College.
- Excellent written and verbal communication skills.
- Demonstrate a commitment to the children whom we teach above all else.
- Present pedagogical proficiency and motivational classroom practices.
- Demonstrate a working knowledge of current curriculum developments across teaching and learning in Years 7-12.
- Be willing to work as part of both a curriculum and pastoral team across the College to support our Mission.
- Hold a current Working with Children Check and be registered with the TRBWA

Applications should include a completed Application for Employment form (available on the website) and be addressed to the Principal.

Applications close 4 November 2016.
