

St Luke's College, Karratha, is seeking a **part-time, ongoing Science Laboratory Technician**, commencing at the start of Term 3.

Our College mission is to develop young people in the traditions of the Christian Brothers and the Presentation Sisters to be the best they can be, make a positive difference in the world and actively live their faith. St Luke's College is the Pilbara's only Catholic secondary school, currently catering for 390 students in Years 7 to 12. We enjoy an excellent relationship with both local industry and community and are continually seeking to improve upon our resources. A new, modern teaching block was completed in 2015 and the College has recently commenced use of a new Performing Arts Centre, incorporating digital media lab and astronomy observatory. We are strongly focused on student improvement and have a committed vision to be the school of choice for our community and one of the best schools in Western Australia.

The College has a strong Science learning area, who offer a wide range courses from Years 7-12 in a well-resourced area. We are strongly focused on student improvement and have a committed vision to be the school of choice for our community and one of the best schools in Western Australia. The Laboratory Technician is responsible for providing technical and administrative support to enable efficient operation of the Science laboratories.

The Pilbara offers exciting opportunities for an adventurous lifestyle, with excellent facilities, but away from the traffic burden of Perth. Karratha lies on the coast, closely proximal to the beautiful Dampier Archipelago and within holiday distance of Broome, Coral Bay, Karijini National Park and everything in between. The lifestyle particularly caters for families.

The successful applicant for this role should possess the following capabilities:

- Be supportive of the Catholic ethos and the Christian Brothers/Presentation values of the College.
- Well-developed knowledge and experience of the operation of a school or analytical laboratory and the application of technical processes in various scientific disciplines.
- Excellent written and verbal communication skills.
- Ability to work with limited supervision, show initiative and work productively as part of a team.
- Hold a current First Aid Certificate.
- Hold a current 'C' Class drivers' licence.

Qualifications Required:

- Applicants must hold a minimum of a Certificate III in Laboratory Skills or equivalent, and a current Police Clearance and WWC

Applicants must submit a curriculum vitae, addressed to the Principal, including the names and contact numbers of three referees. Please also complete the Application for Employment available on the College website

Applicants must be fully supportive of the objectives and ethos of Catholic education. On appointment successful applicants will require a Working with Children Check. Application forms are available at certain Australia Post Outlets throughout the State. A list of participating Australia Post outlets can be found on the Australia Post [website](#). An application for a WWC must be made in person.

Closing date: 30 June 2017

Applications should be addressed to:

Mrs Alanna Otway

Principal

St Luke's College

PO Box 971
