Project Compassion
Caritas Australia’s annual fundraising and awareness-raising appeal, brings thousands of Australians together in solidarity with the world’s poor to help end poverty, promote justice and uphold dignity. Running through the six weeks of Lent each year, Project Compassion is an extraordinary, ongoing demonstration of the faith, love and generosity of caring supporters, all in the name of justice and peace. It is the lifeblood of Caritas Australia; without it, we could not do the vital work we do. In Project Compassion 2015, $11.57 million was raised to help the world’s poorest communities.

Project Compassion 2016
The theme for Project Compassion 2016 is “Learning more, creating change”. As Pope Francis says “Education is an act of hope”, so this year Project Compassion celebrates the power of learning and the many ways in which Caritas Australia is working with local partners around the world to provide vital learning and renewed hope to children, women and men most vulnerable to extreme poverty and injustice. Throughout Project Compassion 2016, inspiring stories from Malawi, Laos, Papua New Guinea, Australia, Cambodia and India will show how education, training and sharing knowledge can empower individual communities to transform their futures and create lasting change.

Together we can empower the world’s poorest people with the opportunity to learn, grow and create change.*
Bishop Greg O’Kelly

Generational poverty has led to many challenges in Dominic’s community in Papua New Guinea, including gender inequality, alcohol abuse and violence. Since receiving training in the Caritas Australia supported Community Conversations program, Dominic has learnt communication and problem solving skills to lead his community towards a more peaceful, prosperous future.

Please donate to Project Compassion 2016 and help empower communities in Papua New Guinea to lead their own development and create more harmonious futures. You can donate through School boxes, by visiting www.caritas.org.au/projectcompassion or phoning 1800 024 413.

The end of Week 5 and half way through Term 1 already, how the term is flying by!

A group of very tired Year 7 students (along with teachers!) returned from a full week at camp in Coral Bay last Friday. By all accounts, swimming with sharks was a highlight, although boat tours, sandboarding and snorkelling also ranked very highly. It was wonderful to see the expanded friendship groups which had been formed over the week, and the attending teachers certainly spoke highly of the conduct of many of the students throughout the week. Camps are not only tiring for students, but exhausting also for the staff in attendance - I would like to extend my thanks to Mr McDonald for organising the camp, along with Mr Sharpe, Mrs Nicholls, Mrs Kinch and Miss Caddick who attended during the week.

Year 7 students have been very busy with extra-curricular commitments again this week, attending their annual Retreat, held at the Frank Butler Centre. Retreats are an integral part of any Catholic school as they allow our students time away from their academic program to focus on a deeper understanding of themselves and their relationships with both others and God. Students were able to participate in Mass, mindfulness and meditation sessions along with focus groups on being more aware of their choices and relationships. Thank you to Mrs Tittums for organising the Retreat and to attending teachers – Mr McDonald, Mrs Gillespie, Mrs Dalton and Ms Creed whose assistance on the day was invaluable.

A group of very excited and committed Year 7 & 8 students have had their first two CAD sessions, with the third to follow next week. Mrs Slatter has indicated that there are some strong performers in this group; they have already begun work on both their singing and ensemble skills by participating in team work activities. In addition the Year 8’s created their first video logs, which they very much enjoyed.

Yesterday’s swim carnival was not only exciting, but very competitive between each of the houses. The end result was very close indeed and the results, including age group champions, are to be announced at today’s assembly. Students should be congratulated on their participation and sportsmanship throughout the day. Thanks are extended to the parents who came along to cheer or help with carnival duties, your support is very much appreciated. Congratulations to Mrs Govender and the Physical Education Department who ran an excellent carnival and thank you to not only all of the staff who worked hard throughout the day, but also to the students who assisted in jobs during the day, including providing food and drink to helpers, and to the staff at Karratha Leisureplex who were there throughout the day.

Next week, six of our Year 12 Student Leaders will attend the GRIP student leadership conference in Perth. This conference runs Australia wide and will be happening at the Perth convention centre. Student leaders from many other schools will be in attendance and it is an excellent opportunity for our students to participate in a challenging conference with hundreds of other students, in order to consider, and act upon, their leadership future. This opportunity is available due to the generous support of the
Karratha Education Initiative and we are grateful for their continued support. Thank you also to Mr Pedlar and Mrs Nicholls who are attending this conference with the students.

The social event of the year for our senior students, the annual College Ball is fast approaching! I know that students are very excited but also working hard to maintain focus on their academic program. Mrs Anderson and her group of helpers are working feverishly to produce a stunning night along the theme of The Great Gatsby, and I know that they would be very pleased to hear from any Year 11 or 12 parents who are able to assist with setup or clean up on the day/night. Please contact Mrs Anderson if you can assist – your help would be greatly appreciated. It is unfortunate that the invitations and tickets arrived with a printing error which had been overlooked. Please be assured that the College is having these items reprinted in order to give them to students as a keepsake if they would like to have them; they will be likely arriving after the Ball and we will issue them to students at that point.

Lastly, I would like to let you know about our upcoming Sundowner on March 18 – details have been sent home to families and also appear later in this newsletter. This is an excellent opportunity for families to come along and meet other families in our community. Our FOSL committee will be catering on the night, with a light supper being provided. Please try and come along and enjoy a relaxing evening with our community.

Reminder to all families that Easter weekend is coming up – the College will be closed on Good Friday, March 25, along with Easter Monday and Tuesday. School will resume for all students on Wednesday 30 March.

Wishing all families a very relaxing long weekend, I hope you catch a very big fish!

Jubilee Year of Mercy

Pope Francis has announced that the 8 December 2015 to the 20 November 2016 will be the celebration of a Jubilee Year dedicated to the Divine Mercy. This “Jubilee Year of Mercy” will begin on the Solemnity of the Immaculate Conception and will conclude with the Solemnity of Christ the King.

"Dear brothers and sisters, I have often thought of how the Church may render more clear her mission to be a witness to mercy; and we have to make this journey. It is a journey which begins with spiritual conversion. Therefore, I have decided to announce an Extraordinary Jubilee which has at its centre the mercy of God. It will be a Holy Year of Mercy. We want to live in the light of the word of the Lord: “Be merciful, even as your Father is merciful” (cf. Lk 6:36). And this especially applies to confessors! So much mercy!

This Holy Year will commence on the next Solemnity of the Immaculate Conception and will conclude on Sunday, 20 November 2016, the Solemnity of Our Lord Jesus Christ, King of the Universe and living face of the Father's mercy. I entrust the organisation of this Jubilee to the Pontifical Council for Promoting the New Evangelisation, in order that it may come to life as a new step on the Church’s journey in her mission to bring the Gospel of mercy to each person.

I am confident that the whole Church, which is in such need of mercy for we are sinners, will be able to find in this Jubilee the joy of rediscovering and rendering fruitful God’s mercy, with which we are all called to give comfort to every man and every woman of our time. Do not forget that God forgives all, and God forgives always. Let us never tire of asking forgiveness. Let us henceforth entrust this Year to the Mother of Mercy, that she turn her gaze upon us and watch over our journey: our penitential journey, our year-long journey with an open heart, to receive the indulgence of God, to receive the mercy of God” (Pope Francis on the Announcement of the Year of Mercy, 13 March 2015)

Each newsletter for 2016 will include information about the Year of Mercy.

2016 Important Dates:

- **Tuesday 22nd March** – Year 11 Mass
- **Friday 25th March** – Good Friday
- **Thursday 31st March** – Maitland Patron House Mass

God Bless

Mrs Rhondda Tittums
Religious Education Co-ordinator
Dear Parishioners

On Tuesday 21st June I conclude my service as your parish priest.

A new priest will arrive in the parish on the weekend of 16/17 July. His name cannot be disclosed just yet but he will be the priest-in-charge for twelve months, after which another priest will be permanently appointed to the parish by the new bishop (Bishop Justin remains our bishop until the announcement of his successor). A priest-in-charge is effectively an acting parish priest. He has the same authority as a parish priest but the time-frame of his administration is usually limited.

For twelve months I will minister as the priest-in-charge of another parish in the diocese, followed by study leave for six months, and will then receive a permanent appointment to a parish as parish priest. I don't know where - this will be decided by the successor to our beloved Bishop Justin.

Fr Bernard remains in Karratha and will work in partnership with the priest-in-charge.

The communities of Dampier, Karratha, Roebourne, Wickham, Point Samson, Pannawonica and Onslow have been good to me and I leave with fond memories. I also leave with happy memories of my ministry as chaplain to St Paul's School and St Luke's College.

In the past twelve years my life has been immensely blessed by your love and friendship. Thank you.

Your deep and lively faith in our Lord and Saviour has enriched my own relationship with Jesus Christ in wonderful ways.

In the joy and love of Christ

Fr Steve Casey
Next week from Tuesday the 8 March to Friday 11 March a number of students in Year 10, Year 11 and Year 12 will be required to sit the Online Literacy and Numeracy Assessment (OLNA).

32 Students have been sent home with letters which inform them of the OLNA components they will need to take.

OLNA has been designed by the School Curriculum and Standards Authority to measure literacy and numeracy skills identified as necessary for functioning in society post-senior secondary schooling; for example, skills associated with shopping, managing a household budget, writing a job application and communicating with others.

Students are required to meet a minimum standard for literacy and numeracy to achieve their Western Australian Certificate of Education. Students can meet this minimum standard either by demonstrating Band 8 or higher in the NAPLAN reading, writing and numeracy tests in Year 9 or by meeting the minimum standard of the reading, writing and numeracy components of a new OLNA.

It is important to note that Students from Year 10 will have up to six opportunities (two per year) from Year 10 and Year 12 to demonstrate the literacy and numeracy minimum standard and there is no need to get stressed about the test. In my experience the majority of students will have achieved the desired level by Year 12

The OLNA is compulsory for students who have not demonstrated the minimum standard and want to achieve a WACE. Schools will identify and advise students who are required to attempt the OLNA.

Absences
Regular attendance to school is essential and parents should ensure that no days are missed unnecessarily.

Parents are reminded that

They should phone the school on 91441081 from 7.30am if their student will be absent for any reason that day.
Should a student be absent for any period of time a note is also required from the parent or carer.
The note should be handed to the PCG teacher on the first day the student returns to school.

Lateness
Attendance at Pastoral Care Group at 8.30am is compulsory so that accurate absentee lists may be taken and important notices read via the daily bulletin. It is also a valuable opportunity for Pastoral Care Group Teacher and House Coordinators to make contact with the students.

Students arriving after the commencement of PCG (8.30am) must report to the front office to sign in, whether or not they have a note to explain their lateness. Students failing to observe these requirements are in breach of the school duty of care and may face some form of school imposed sanction.

Sunniva Antonucci
Deputy Principal
Well the 2016 academic year is well underway and a lot has been happening.

**Student Leadership Day**

Leadership has been a hot topic of discussion in the media in recent times, particularly with regards to political leadership. It is probably an opportune time for us to reflect on what it means to be a good leader. Our attitudes, behaviour and actions can influence others and therefore we are ALL leaders. Leadership is not restricted to those in a position of authority.

It was a great privilege to be part of a Student Leadership Day where our student leaders were introduced to leadership. They were asked to consider what it means to be a good leader and how they can incorporate these practices in their own leadership. Mrs Usher led a great session on how to use your voice when public speaking and also how your body language has an impact on how you are seen by your audience. The students got a lot from these sessions; servant leadership was certainly visibly demonstrated by the students- all working hard for the benefit of others. Well done and keep up the hard work.

**Year 7 Camp to Coral Bay**

I also had the great privilege of travelling to Coral Bay last week with the Year 7s for their Camp. What an experience! The trip behind with a 6am start and a long drive with some very excited students. Once we arrived, the fun began, beach games, swimming in the crystal water of Coral Bay, snorkelling, shark spotting, boat trips- the list goes on. Not only did the students learn an awful lot about themselves in challenging, unfamiliar situations, they also had the responsibility of looking after their tents, their gear as well as each other. They certainly had a great time. There were some very happy, but exhausted faces when they returned on Friday. Thanks must also be extended to the Year 7 Co-ordinator, Brent McDonald, who organised the whole camp as well as the staff who joined the camp: Wayne Sharpe, Carly Kinch, and Jackie Nicholls.

**Year 11 Parent Information Night**

The Year 11 Parent Information Night was held during Week 4. This important information session was designed to discuss the WACE requirements for both ATAR and VET pathways. With numerous changes to the WACE this was an opportune time to ask questions and be aware of the challenges ahead. For those of you who were unable to attend, an information booklet is being compiled to clarify these points and will be distributed shortly.
It is important to re-iterate that students who are struggling in any of their ATAR courses be aware of the Course Change date that is fast approaching. All course changes must be finalised this week. If Year 11 students are failing or not achieving adequate results, they will be required to attend a meeting in order to discuss strategies to improve their results. These strategies may include changing courses to a course more suited for them to achieve success. Please contact me if you have any concerns about your child’s subject choices or concerns surrounding their academic achievement.

**WA Universities visit**

Last week, the Year 11 and 12 students were visited by four different WA universities. The students were invited to visit the stalls in the Gym during lunchtime to receive information, as well as ask for advice and have any of their questions answered. It certainly is time to be looking ahead to future careers for our senior students.

A final reminder that the Labour Day Public Holiday occurs next week- wishing all students, parents and staff a restful and enjoyable long weekend.

God Bless,

Melanie Caddick

Deputy Principal (Years 7, 9, 11).
The first Year 12 breakfast began on the 12th of February.

From past experience students have found the Year 12 breakfast session extremely beneficial while also enjoying the variety of breakfast food offered at each session.

The breakfast will be held fortnightly. Please find the timetable attached. During this time students will be given a compulsory task to bring home, complete and store in their careers folder. The purpose of these tasks are to help prepare them for life after Year 12.
SBT

We have had the pleasure to celebrate many other achievements in Term One with our students continuing to display great appetite to pursue their lifelong goals.

Mitchell Lee and Munyaradzi (Shepard) Maravanyika in Year 11 have signed up for a School Based Traineeship with ISS in the hospitality industry. Both students have shown great enthusiasm for this industry. Well done Mitchell and Shepard, we are ever so delighted for you, keep up the good work. Those students interested in School Based Traineeships are required to find a company that will provide 8 hours a week of employment and then Mrs Dalton and Apprenticeships Australia work together for the remaining process.

UWA MEDICINE

Please be advised that UWA Medicine will be at St Luke’s College the 5 April during lunch. They will talk to interested students from Year 10—12 about the process of applying for Medicine and Dentistry. They will also give information about the UMAT (preparation exam for applying for medicine or dentistry). Students interested in pursuing medicine are required to sit the UMAT testing and information about this will be given during this session. Med Entry is a government accredited Registered Training Organisation specialising in UMAT preparation, please visit [www.entry.edu.au](http://www.entry.edu.au)
Universities Visit

On the 26th of February, representatives from four of the universities in Perth came to St Luke’s College to provide a student information session to the Year 10-12 students. Thank you to those students who attended, events like these are invaluable to students considering university. If any student missed this visit, Mrs Dalton has emailed a template which can be used to make contact with the universities and retrieve valuable information.
Woodside Work Placement Program

Woodside has opened up its July holiday work placement program. Thank you to all that have applied. Mrs Dalton will advise the successful applicants in due course. Mrs Dalton encourages all students to open their emails daily as many opportunities are advertised through the daily notices and student emails. Well done to those students that have applied for the “GREaT program” work placement at Nickol Bay Hospital

Mrs Dalton has received outstanding reports from the Rio Tinto Summer Vocation Program. Well done to all students on representing themselves so well. This year Skilled have some advise for all students. Give the application some time, be organised with the information required and drop your application form into Skilled in person before the due date. This will be advertised in term three this year.

Thank to the Year 12s who have submitted their Perth revision course forms. Mrs Dalton will confirm placement next week and provisional flights time etc.

Best Regards

God Bless

FOSLS SAY THANK YOU.

The Friends of St Luke’s would like to say a very BIG thank you to all students, parents and staff who assisted the Committee in 2015, raising money for the College.

Whether you donated cakes, provided donations big or small, helped set up or pack away for our quiz night or more importantly gave up your time to be at our events, it was very much appreciated.

We had some great evenings with the wonderful Alice in Wonderland production, the CAD Red Carpet event and a combined quiz night with St Paul’s Primary. We ended the year with our Christmas market.

With the funds raised from these events, we are looking forward to the possible purchasing of some new outdoor furniture for the students, bike racks and also maybe a few outdoor water misters that will assist students with staying cool.

There are also ideas on the drawing board for general beautification of school gardens/areas throughout 2016.

Once again we thank you all and remember if you are interested in coming along to our meetings, we would love to see you. We meet on the first Tuesday of the month at 6.30pm and you can find us in the school library. Meetings are generally one hour in duration. All welcome!

A message from the Finance Department…

Payment Arrangement Forms:
This year marks the introduction of a new system for the payment of fees and levies whereby all families are required to complete and return a 2016 Fee Plan Authority Form. Thank you to those families who have already done so. A considerable number of families are yet to return their forms. This is an urgent reminder that all families MUST complete and return forms to the College’s Finance Officer, Mary Epis within 7 days of receipt of their Statement. This is in keeping with the College’s Fees Policy. Should you have any queries about your statement, please contact the College.

Fees and Levies:
The 2016 School Fees and Levies Statements, Fees Schedule and Fees Policy were mailed to families the week commencing 15 February, 2016. Please note that some changes have occurred in relation to the payment process. Please refer to the fee payment arrangement form included in the mail-out.

Assistance with Fees:
Assistance may be available to families through either the Health Care Card Tuition Fee Discount Scheme (HCC), or the Secondary Assistance Scheme.

♦ Health Care Card Tuition Fee Discount Scheme
(NB: Parents/Guardians in receipt of an ABSTUDY School Fees Allowance through Centrelink are not eligible.)
The Catholic Bishops of Western Australia are determined that no family be denied the opportunity of education in a Catholic school because of financial difficulties. The Health Care Card Tuition Fee Discount Scheme offers a discount on tuition fees to holders of a means-tested family Health Care Card or Pensioner Concession Card. The scheme offers significant, automatic tuition fee discounts to both Catholic and non-Catholic families. The secondary school tuition fee for families that qualify for the scheme is $1,400. Application forms are available in the front office. Please note that it is a requirement of the application process that signatures be witnessed by either the Finance Officer or Business Manager.

♦ Secondary Assistance Scheme
Application forms should not be altered and are to be completed at the College during Term 1 only. Application forms are available from the front office.
In order to be eligible for 2016 you must hold one of the following:
• Centrelink Family Healthcare Card (card holder must be parent/guardian);
• Centrelink Pensioner Concession Card (student's name must be listed on the card);
• Veterans’ Affairs Pensioner Concession Card.
A reminder to all students and parents that the afternoon buses start leaving the school at 3.05pm and the last bus is gone by 3.15pm. Students catching buses need to make their way as quickly as possible to the bus area at the 3.00pm bell in order to avoid missing their bus.

To learn more about the School Care Accident Insurance, please go to the St. Luke’s College website. Information can be found under the heading ‘Enrolment’.

Free methamphetamine workshop for schools and parents in Semester 1

SDERA has been working closely with the Department of Education to make available to all schools a workshop called Talking Drugs. This is an excellent opportunity for WA schools to engage in a drug education initiative that is being driven at state and national levels to address methamphetamine and other drug use behaviour.

This workshop for those working with Kindergarten to Year 12 students, adds another layer of knowledge to those who conduct drug education using our teaching and learning resources; to those who seek to develop School Drug Education Guidelines (Drug Policy); and to school staff who work on any level to support students who may have issues around drug use.

This workshop has a focus on methamphetamine and other drugs and allows considerable opportunity for discussion.

At this workshop you will:
- Extend your knowledge and awareness of drug types, their impacts and possible consequences.
- Gain greater understanding of some of the complex issues that may drive drug use behaviour.
- Consider what may contribute to drug use in individuals who choose to use drugs and/or continue to use them.
- Understand the importance of empathy for working with young people with drug use issues.

Talking Drugs Parent Information Session

Parents have an important role to play in preventing and reducing their children’s risk of harm from drug use.

As part of the national and state strategy to address methamphetamine and other drug use behaviour, the Department of Education and SDERA will offer a Talking Drugs Information session for parents.

These 1 1/2 hour sessions will be run in 11 regional areas and the metropolitan area in the evening during Semester 1.

Schools are being encouraged to inform and invite their parents to attend as places are limited.

To register for this event, go to www.eventbrite.com.au to find a Talking Drugs session near you.

Boys, Boys, Boys

Understanding, Nurturing and Connecting with Today’s Boys

with Maggie Dent

In this seminar, popular parenting author and “queen of common sense” Maggie Dent will share her insights, practical suggestions and passion for raising boys in our chaotic world. Statistically, boys are still at greater risk than girls of injury, death, school failure, cancer … the list goes on. From before school to adulthood, the journey of a boy to a man is often misunderstood. Boys’ needs are different to girls and in order to help our boys grow into wonderful men, parents, teachers and carers need to understand these needs and how to meet them. Maggie draws her wisdom not only from the research that has gone into writing seven books, but from parenting her own four sons, teaching in high schools for over 17 years, counselling troubled lads and working with men in her men’s-only seminars. She is a champion of boys and wants you to be one too.

Dads Only: Top Tips for Being a Terrific Dad  
A special night for Dads, Uncles, Grandads and other father figures...  

with Maggie Dent  

This is a seminar just for Dads which unplug the important aspects of parenting children from birth to 25. Parenting author, educator and mother of four sons Maggie Dent has a special ability to “talk bloke” and decodes complex information in a highly practical, humorous and informative way. In her common-sense style, Maggie will inspire, empower and enthuse every bloke in the room to be just terrific.
