Communio Week
23rd - 27th May 2016
Hearts Rejoice

The ‘Communio’ week theme for 2016 invites us to OFFER COMFORT to those in need.

We are very fortunate to have so much. All we need is close at hand. We have good health. We live in a safe place.

How often do we thank God for the good things that are provided for us?
How often do we remember those who are less fortunate than we are?
How can we share more of the good things we have with those who are less fortunate?
How do we answer Christ’s call to those in need?

When Bishop Justin set up ‘Communio’ in our Diocese his aim was, and still is, to provide opportunities for us to share and contribute what we have in abundance, to help those in need in our Diocese no matter what race, belief, colour or circumstance, through the agencies of:

1. **Centacare** - who Counsel people and help families working together in difficult times. They also work with children who need someone to listen to their problems and help them cope with them. Centacare also helps people who are having difficulties finding work.

2. **Nazareth House** - who help older people who are unwell and need a place to live.

3. **Drug Arm** - this agency helps people who have become dependent on drugs and find it hard to live a normal life.

So “Communio” is about two things:
1) It informs people of what these agencies do, and
2) It asks financial help of our Catholic people and schools to help these agencies to assist others.

Later during the term Harding House will be organising some fundraising activities to help raise money so that St Luke's College can contribute to the 2016 Communio appeal.

**MASS TIMES**

- **ST Paul’s (Karratha)**
  - Saturday - 6:00pm
  - Sunday - 9:00am

- **ST Peter’s (Dampier)**
  - Sunday - 7:30am

- **Our Lady of The Pilbara (Wickham)**
  - Sunday - 11:00am

</table>
Greetings to all St Luke’s families! We are already halfway through Term 2 and our Year 12 students have today commenced their first semester exams. Our Year 10 and 11 students also commence their examinations next Friday - please keep these students in your prayers during what can be a stressful time.

We began this week with our Communio Mass, a lovely celebration to focus our prayer and charitable efforts on those within our diocese who are in need. As the economy changes in our own community, it is important to be aware of those who may need our support at this time. Harding House are conducting Communio fundraising over the next few weeks, we hope that families can support where they are able.

I have been away from the College for two weeks during May, participating in an international study tour with 24 other Catholic school Principals and Education Directors from around Australia. We spent a very busy fortnight in both New York and Canada, observing schools and educational systems. Much was learnt during this period as we had the opportunity to work with teachers, principals and directors of education across public and Catholic sectors. I am excited to bring back many learnings from this tour, which will be presented in a research paper I am presenting in Brisbane later in the year, along with a report for our School Board. Mrs Antonucci and Miss Caddick oversaw the running of the College during that period and I would like to thank them for their extra commitment.

Earlier this year, we asked families to consider volunteering with the College in a number of different ways, and I would like to thank each of the families who were able to nominate to volunteer in some way. Over the next two weeks, we are fortunate to have a number of parents who have volunteered to supervise the examinations, which is extremely valuable as it provides staff with much needed time to focus on marking papers and giving important feedback to the students. I would like to thank the following parents who are taking exam supervisions: Laura Bascombe, Antoinette Cook, Katrina Evans, Aurora Flores, Zoe Roosendaal, Nadine Cooney and Carol Potter. Thank you, ladies, your assistance is very much appreciated!

Last week, the College was fortunate to host a visit from Youth Focus to deliver mental health and wellbeing sessions to our Year 9 students and also our staff. The visit was very well received, with several students making positive comments about the sessions. Ask your Year 9 student about the presentation and hear what they learned about!

It was great to see our senior girls Netball team compete against Karratha High last week, under the direction of Mrs Govender, in a scratch match. Unfortunately, they were narrowly defeated but displayed excellent skills and sporting behaviour. It was also great to see a good contingent of our teachers there to cheer the girls on.
Our College Fun Run is on today, thanks to the organisation of the Physical Education teachers. The funds raised from this event will be placed towards supporting our College representative teams. As families would be aware, it can be extremely costly to send our representative teams away to compete and it is hoped that the funds raised will go a way to reducing that impost on families. If you haven’t had a chance to complete your sponsorship as yet – it isn’t too late, funds can still be added to our totals to assist our teams!

Recently, the College participated in the Insight Quality Catholic Schooling survey and 60 families were randomly selected to complete the online survey. Thank you to those families who were able to take the time to respond. Your responses, along with those by staff and students, are able to give us good insight into areas where you would like to see the College improve.

Next Friday, we farewell Mrs Jackie Nicholls, who has taught at the College for the past five years. Mrs Nicholls and her family are relocating to Victoria and she will be missed at the College by both staff and students. The senior students delivered a farewell message to Jackie following our Communio Mass last Monday, which indicated the esteem in which she is held by the student body.

Mrs Nina Usher will also be leaving us shortly, to commence her parental leave. We wish Nina and Ben all the best for the arrival of their baby as they start their family. Mrs Denise Myers-Reid will be replacing Nina and she and her family have arrived safely in Karratha from New Zealand. Denise will commence on Monday and we look forward to welcoming her to our community.

Lastly, a reminder note that Father Steve’s farewell is coming up on June 11. We are hoping there will be a great turnout to say goodbye to Father, who has ministered in Karratha for the past twelve years. Tickets to his farewell dinner are $30 per adult and can be purchased at the College office or through the Parish.

A reminder to all families that Semester One fees are now payable. If you have not finalised your payment arrangements please contact the College office to do so as soon as possible. Where families are experiencing difficulties, please contact me directly — there is always a solution!

Wishing all families a wonderful weekend.

Alanna Otway
Principal
The busy nature of Term 2 continues with our Year 10, 11 and 12 students involved in Semester One examinations. We must trust that their results will reflect the effort given to study and revision.

I also wish to reiterate the importance of homework studies in terms of student performance. It has been shown that as students progress from Year 8 to 12 a higher proportion of their homework studies should be taken up with revision such as going over their notes, doing study and preparing for tests and exams.

**Getting the best from our students**

**Home environment:** It is important that students have an area assigned at home for them to be able to do their homework studies that is away from the noise of the TV, radio and other distractions. This should include a roomy study desk with a good light source and a comfortable, ergonomic chair. Students should have an area where they can place their bag, books and other school gear. The computer should be seen as an aid to their studies and not just as an avenue for emailing friends and using social media websites.

**Recommendation:** parents monitor regularly what students are doing when they are doing their homework, especially when on the internet.

**Uniform**

As we get to the middle point of the school year I would just like to remind students and parents that the uniform policy at St Luke’s can be found on pages 6 and 7 of the student diary. A number of students need to have a haircut and some girls need to ensure that their skirt lengths are appropriate, please check with your child with how they went with regards to the uniform check. Letters will be sent home if students continue failing to comply to uniform regulations.

I would also like to remind parents and students that only St Luke’s College school jackets can be worn to and from school. These can be purchased from the uniform shop at a cost of $65.00. Students not wearing the correct uniform will be issued with a uniform infringement, three uniform infringements result in an after school detention.

**“HEALTHY BODY/HEALTHY MIND”**

All too often we are encouraging students to work hard at their studies and learning however, an equally important aspect of their lives can be neglected. That is, their personal health and well being comprising exercise, nutrition and relaxation.

To operate to their potential the “Healthy Body/Healthy Mind” approach is essential. With the bombardment of advertising directed towards them that attempts to sway them away from this positive lifestyle, it is vital that we continually feed them positive messages.

Cont...
Healthy living relies essentially on finding a balance between
- How active you are and
- What and how much you eat.

Too much of either can have severe impacts on a young person’s health.

The following tips may be of help
- Your child should be encouraged to always start the day with breakfast. It is also important that they don’t miss meals as this sends the body mixed messages and over eating can occur to compensate.
- Avoid snacks high in sugar when they snack. Make it healthy, such as a piece of fruit, yoghurt or a glass of milk.
- Encourage them to eat a variety of fruits and vegetables several times a day.
- Regular meals of grain food are beneficial such as bread, cereal and pasta.
- Water is essential to healthy living, at least 2 litres a day should be consumed; it satisfies the thirst much better than soft drinks and is not fattening.

Exercise

This does not mean only being involved in traditional sports, as some young people may not enjoy these pursuits. It is more about them moving more. Suggestions are
- Set strict limits on the time spent watching TV shows, the internet and games.
- Encourage your child to go for a walk, jog, bike ride, walk, skateboard etc at least once a day. Even helping around the home with activities such as washing the car, walking the dog, dusting etc anything that gives them the opportunity to move.

Finally, impress on your child that healthy living is not about things like body shape, sporting prowess or strict dieting
- It is all about a balance of movement (exercise) and eating healthy (diet).

Thanking you again in anticipation of your support for our school community.

God Bless
Sunniva Antonucci
Deputy Principal
NAPLAN
Congratulations to all the Year 7 and 9 students who completed the NAPLAN testing this term. I was impressed to see that most students were prepared and equipped. It was also pleasing to see that the students were focused on the tests at hand and were keen to perform well.

Year 11 Exams
Please be advised that the Year 11 Semester 1 Exams begin on Friday 3rd June and run through to 13th June. Please make sure that students are properly equipped and prepared.

SCHOOL CLIMATE SURVEYS
Each year Catholic Education WA runs these surveys in order to gain a picture of the ‘health’ of Catholic Education and the running of our schools. Thank you to the staff, students and parents who contributed and we hope to be able to work constructively with the results as they become available later in the year.

NEiTA AWARDS 2016
Nominations for the 2016 ASG National Excellence in Teaching Awards are now open. For 22 years the ASG National Excellence in Teaching Awards has given communities the opportunity to formally thank their hard-working and inspirational teachers and leaders. If there is a teacher that you believe deserves to be recognised for their work with your child, you might like to consider nominating them for an award. Nominations can be placed on the NEiTA Website: https://www.asg.com.au/asg-neita/nominations

YEAR 11 AND 12 EXAMINATION – SUPERVISION ASSISTANCE
We are requesting parent assistance with the supervision of Year 11 and 12 Examinations. The examination period is between Friday 27 May and Friday 13 June. Examinations are typically 3 hours in duration, with a morning and afternoon session. No previous experience is required. If you can assist, you are asked to contact the school as soon as possible on 9144 1081 and provide us with days and times that you can assist.

God Bless
Melanie Caddick
Deputy Principal (Years 7, 9 and 11)
Blessings All

This second term is going quickly and there is a lot of good work happening in our Religion classes across all the year groups.

Years 8 to 10 have been given their assessment tasks which they should all be working on either during class time or completing the task at home.

Years 12 have been busy studying in preparation for exams next week and the Year 10 & 11 students are preparing for their exams the week after Year 12 exams finish.

Harding House celebrated their Patron House Mass at St Paul’s Parish Church on Thursday 19th May and the whole school Communio Mass was celebrated here at St Luke’s by Father Justus. After the Communio Mass we had the opportunity as a whole school to farewell Father Steve Casey, who is leaving the Karratha Parish after twelve years. Our school community will miss Father Steve and we wish him well in his new Parish.

God Bless

Mrs Rhondda Tittums
Religious Education Co-ordinator

~ Important Dates ~
Year 12 Retreat: Thursday 9th and Friday 10th June 2016
Year 8 Retreat: Wednesday 15th June 2016
The Science Department Superstars!

Name: Mike (Zimmy) Harlen
Age: 39 (ish)

What do you teach at St Luke’s?
Year 11 and 12 ATAR Physics, lower school Science and Year 9 Careers.

How long have you been teaching?
43 years

What was your first job?
Selling tyres

Do you have children?
Two sons and two grandsons

Favourite Food? Sadza and gravy!
Favourite AFL team: The mighty Eagles
Which countries have you lived in?
Zimbabwe, South Africa, and Australia

Where is one place you would like to visit?
New York

Favourite teaching moment?
Getting reprimanded for firing a gun in a Year 11 Physics demonstration! (For educational purposes only and not at St Luke’s!!!)

What do very few people know about you?
I’m tone deaf, I can’t sing a note!
YEAR 11 and 12 NETBALL

ST LUKE’S COLLEGE vs KARRATHA HIGH SCHOOL

On Wednesday last week our Year 11 and 12 girls played a scratch match against Karratha High School at the Leisureplex under the captaincy of Cheyenne Vandenberg. The match was very closely contested and the girls gave a very good account of themselves. They showed good skill, sportsmanship and teamwork.

This was a great opportunity for our senior girls in the school to step up and be good role models for St Luke’s College. It was also a great opportunity for the girls to advocate their passion and commitment to the sport of netball and the promotion of girls sport in our school.

Congratulations to all the netball players, the match was a delight to watch. Many thanks to all the supporters, for their enthusiastic support of the team.

The final score was 25 – 28 to Karratha High School.

We look forward to another exciting game before the end of term.

K.GOVENDER
BASKETBALL INCURSION BY PERTH LYNX COACH

Our Year 8 students were treated to a special Basketball Conditioning and Skills session by Darrell Morgan from the Perth Lynx. Darrell is the strength and conditioning coach for the Perth Wildcats. The students were in awe of the drills and methods used to help improve their game of Basketball.

Our students gained a lot of valuable tips and information on how to improve all round fitness. Darrell commented on how interested and well behaved the Year 8 students were during the session.

Thanks to Darryl for coming out to promote Basketball with our Year 8 students.

K.GOVENDER
Physical Education

U16 BOYS AFL TEAM TRAVEL TO DARWIN

Congratulations to Darcey Collins, Nelson White and Jaymie Harris on being selected to represent WA North West at the 2016 Northern Australia Cup (NAC). These boys will travel up to Darwin to participate in the NAC on Thursday, Friday and Saturday this week. The boys have worked extremely hard and have shown good commitment and dedication to their football teams. They tirelessly strove to improve their fitness levels and showcase their skills during the season.

Safe travels and good luck in your participation boys!

K.GOVENDER

[Images of the U16 boys AFL team]
Australian International Model Solar Car Challenge 2016

I have been fortunate to participate in the Solar Model Challenge since 2012. It has allowed me to meet and work with students from Karratha Senior High School, as well as compete in competitions in Perth, Sydney and Adelaide.

I found this to be an ideal opportunity to learn about renewable energy as well as designing and engineering skills. I am now able to competently solder, test electronics circuits and use gearing calculations to work out ratios for the cars I have built.

Being part of the National competition for the past two years has also allowed me to travel to other states and experience the atmosphere of places other than Karratha. I would recommend any young student who would like to pursue an engineering pathway, to give this a go. It is an awesome experience and memories that I will always treasure.

The 2016 National Challenge will be held in Melbourne in October and students who are interested can contact Mr Subramoney at the school. Forms will be available next week.

Kaine Bradshaw
On Thursday the 5th of May students attended a presentation about careers in the health industry. The presenters delivered a PowerPoint presentation to explain Allied Health. Topics included rural student health clubs, Allied Health disciplines/job descriptions, how Allied Health disciplines work together (e.g. in a hospital setting), studying at University, moving to Perth, University fees and scholarships and financial assistance for rural students.

There were interactive activities based on a couple of different professions and also acting scenario’s that identified the stages of recovery. There was a workshop on sugary drinks, with the students estimating the number of teaspoons of sugar in popular beverages and education on other health effects of sugary drinks as well as First Aid bandaging and taking blood pressure.

There were many giveaways and prizes for participation and lots of university course booklets for the kids to take home and look through. The students enjoyed this session. Thank you to presenters, Tia, Amber and Michael from WAALHIIBE Rural Health West.
The Pilbara Career Expo was held at the Karratha Leisureplex on Thursday the 12th of May. There were 48 stalls from over 25 industries from local businesses from community services to cooking demonstrations. Students were transported to the Leisureplex during their allocated year level time (sponsored by Fortescue Bus Service).

There were many stalls and expertise available on the day. It was fabulously organised by EPIC and enjoyed by parents, students, teachers and the community alike. The Career Expo offered exposure to a list of careers that could define the future of students. We look forward to this running again next year. Thank you to all for their time and support.

Please see a photo attached of two students who completed their recent work placement at Nickol Bay Hospital, through the GREat work placement program, there are 15 students that have been accepted on this sought after program.

Students are preparing for their upcoming exams. Mrs Dalton encourages the students to attend the variety of tutoring sessions available at St Luke’s College, to set a study plan and assign valuable studying time in preparation for their upcoming exams. A reminder to students undertaking TAFE courses that students are required to complete a unit of work every two weeks to ensure the compulsory completion of the course.

The flights for the Year 12 Revision courses in Perth have been booked. Thank you once again to the North West Shelf Venture for heavily subsidising the fees associated with flights, accommodation, courses etc.

The Try a Trade is running again this year on the 19th-21st of September or the 20th-2nd of September students are invited to express interest. Last year the students produced benches across the school. This year each student will produce their own wooden chair.

Careers
SMYL is currently seeking Expressions of Interest from Year 11 and/or 12 Aboriginal students going into 2016 to be a part of the ASBT and take up a school based traineeship. Mrs Haylee Harich and Mrs Mia Zaknich, both from SMYL community services, attended St Luke's College on the 23rd and 24th of May to advise students of the current SBT opportunities available (please see photo attached). SMYL has a limited number of school based traineeship places available and is a state provider for the Aboriginal School Based Traineeship Program (ASBT) program. Under the ASBT, SMYL will facilitate –

- A Certificate II Qualification
- One paid day in the workplace per week
- Structured mentoring visits
- Monitoring in the workplace
- An assigned Field Officer/Mentor
- Helping develop resumes
- Liaise with host employers to continue employment post completion
- Place suitable graduates with CCI’s VTEC
- Provide post completion support to help graduates overcome barriers to employment or further education and training.

Mia Zaknich is the assigned Field Officer in Karratha and welcomes students from Years 10 and 11 to apply. Please complete the attached application form and return to hayleeh@smyl.com.au. Collect an application form from Mrs Dalton.
SMYL Community Services

Established in 1983, SMYL Community Services (SMYL) is one of the State’s largest stand alone community based charities, with a strong focus on increasing Aboriginal participation in the workforce through education, training and support. With over 30 years of experience in providing quality community support including employment and training services to those most disadvantaged in our community.

Launched in 1997, SMYL Group training has grown to become one of the State’s most significant employers of Aboriginal trainees, currently employing over 400 Aboriginal trainees each year.

What is the Aboriginal School based Traineeship Program (ASBT)

The ASBT was developed in 1998 as a response to the low retention rate of Aboriginal students in Years 11 and 12. The ASBT addresses this imbalance by providing Aboriginal students across the state with the opportunity to gain work skills and on the job training resulting in nationally recognised qualifications and opportunities that will optimise positive outcomes for trainees.

Typically a trainee commencing in Year 11 will attend one day per week at the workplace and the remaining four days at school. A trainee commencing in Year 12 will attend the workplace for 1 day, although a second day may be negotiated with the employer and school but will not be a traineeship day.

Who is the program aimed at?

The program is aimed at Aboriginal students considered at educational risk, i.e. not participating in WACE subjects with above 50% attendance.

Quality of Service

SMYL Group Training adheres to a set of National Standards (Group Training Quality Standards) ensuring that our participating schools, host employers and trainees receive the highest level of service.

Our experienced staff are dedicated to providing the best possible outcomes for our School Based Trainees.

How does Group Training Work

Group Training is an employment and training arrangement where SMYL Group Training employs trainees under an Traineeship Training Contract and places them with host employers. SMYL is considered the legal employer, managing superannuation, payroll, WorkCover, training and any other administration associated with the employment contract.

More information:

Ph: 9430 4921  Fax: 9335 9386
www.smyl.com.au
Aboriginal School Based Traineeships Fact Sheet

SMYL’s role as Group Training Organisation in the traineeship
- Use of experienced mentors who are passionate about the program
- Provide support to individual students, their families, schools and host employers
- Establish appropriate host placements within negotiated time frames
- Visit trainee in the workplace once per month and provide the school with a student update after each visit
- Deliver information sessions to schools
- Meet with each school to plan the implementation of the program
- Complete all traineeship administration requirements
- Complete all employment related documentation
- Payment of trainee wages including workers compensation
- Provide support for workplace trainers and supervisors
- Provide/source additional support if required

SMYL Partnerships
SMYL has a long and successful history of partnering with Government and non Government employers the development of Aboriginal Traineeships recruitment strategies. Over the last 16 years, SMYL has partnered with over 2000 companies across a broad range of industries including:
- Department of Cabinet & Premier
- Fortescue Mining Group
- Jaxxion Construction
- Leighton Mining Division
- Thiess
- City of Melville, Cockburn and Fremantle
- Monadelphous
- Department of Sport and Recreation
- Central TAFE & Koolkarn Centre
- Water Corporation
- Chamber of Commerce and industry (CCI)
- Dome

Carol can be contacted by email with any uniform queries at
uniform@stlukescollege.wa.edu.au

Uniform shop hours will now be

Tuesdays  11.15am—3.15pm
Thursdays  11.15am—3.15pm

Alternatively uniforms can be ordered online using the instructions below

Online Uniform Shop

Do you have trouble making it to the Uniform Shop during its opening hours on Tuesday or Thursday between 11.15 am and 3.15 pm?

Well, now you can purchase uniforms online!

Simply follow these steps:
go to www.ouronlinecanteen.com.au
  Log In or Register
  Click on Uniforms
  Place your order
  Send your child to the Uniform Shop on Tuesday morning to collect their uniform!

Further information is available via the College website at www.stlukescollege.wa.edu.au

Please Note: Should parents/guardians have problems with entering their online order there is a help system. Parents/guardians can either email info@ouronlinecanteen.com.au or text message 0488 247 244 for assistance.

I am happy to let you know that we now have a small supply of second hand uniforms available through the uniform shop. Shirts, skorts and shorts will sell for $10 each and jackets for $30. I am also happy to accept any donations of uniforms that are no longer needed due to your children out growing them etc.

Thanks
Carol Potter
Uniform Shop Manager
A reminder to all students and parents that the afternoon buses start leaving the school at 3.05pm and the last bus is gone by 3.15pm. Students catching buses need to make their way as quickly as possible to the bus area at the 3.00pm bell in order to avoid missing their bus.

To learn more about the School Care Accident Insurance, please go to the St. Luke’s College website. Information can be found under the heading ‘Enrolment’.
A message from the Finance Department....

Reminder: Fee Payment Arrangement

This year marked the introduction of the new fees and levies payment system requiring all families to commit to one of the payment options outlined below. This change applies to all families without exception and all families are required to complete and return a 2016 Fee Plan Authority Form (forwarded with Fee Statements in Term 1) in keeping with the College’s Fees Policy. Thank you to those families who have already returned forms; however, a considerable number of families are yet to do so.

This is an urgent reminder that all families MUST complete and return these forms to the College’s Finance Officer, Mary Epis. Should you have any queries about your statement, please contact the College. In cases of financial hardship, a family may discuss their financial situation with the College Principal and apply for a fee remission.

For those families that are yet to do so, the up-front payment for all levies is payable immediately. This payment includes the FOSL levy (per family only) and per student charges of the ICT Levy, Education Perfect Suite, PE Workbook and all subject levies for the year.

Semester 1 fees are now also payable

Families must select one of the following options for the payment of student Tuition Fees and the per family annual charges of the Yearbook and Building Levy.

**Option 1:** payment of all fees in full in one instalment (was due on 15 April 2016). This option is available via BPAY, direct debit, online or credit card. In addition, payment may be made by cash, cheque or by direct deposit into the College bank account.

**Option 2:** payment of fees in three (3) instalments, (with first due date on 15 April, 15 June and 15 August 2016. This option is available via direct debit from bank accounts using the Direct Debit Scheme or by providing the College with our credit card details for automatic payment on the dates specified. In addition, payment may be made by cash or BPAY.

Cont...
Option 3: payment of fees in eight (8) equal instalments, due on 15th of each month from April through to 15 November 2016. This option is only available via Direct Debit from bank accounts using Direct Debit Scheme or by providing the College with your credit card details for automatic payment on dates specified.

All Year 12 fees must be paid by the end of Term 3. Contact must be made with the College Business Manager to vary the payment method. Fee concessions may be provided to parents showing evidence of financial hardship to the Principal.

Thank you
Stephanie Gibson-Munro
Business Manager
