**St Luke’s Retreat Days**

The school holds Retreat days for all year groups. They are an integral part of Catholic school life. The term Retreat refers to time away from the normal school program where participants have the opportunity to reflect on their relationship with God. The emphasis is on students awareness of the presence of God in their lives. Retreats vary in style and duration. They include experiences of prayer, discussions, reflective silence and quiet time alone. As part of the Retreat students and staff attend Mass at St Paul’s Parish Church.

The Catholic school Retreat aims to put students in ‘communion and intimacy with Jesus Christ’ (GDC, 80). Through the Retreat experience students come to know Christian love and are exposed to a Gospel centred way of life. Students hear the Gospel and are empowered to connect the Gospel message to their lives and to find ways of continuing the Church’s mission. They participate in the life of the Christian community through liturgy and through activities which emphasise growth in Christian faith.

The Retreats are an important part of the St Luke’s school year and attendance is compulsory. The day is a normal and regular school day and all requirements and expectations remain the same except that students may wear their College sports uniform.

**MASS TIMES**

ST Paul’s (Karratha)
Saturday - 6:00pm
Sunday - 9:00am

ST Peter’s (Dampier)
Sunday - 7:30am

Our Lady of The Pilbara (Wickham)
Sunday - 11:00am

As we move towards the end of the first semester of learning for 2016, I would like to congratulate all students of the College on their application and endeavour so far. Students have had access to a wide range of learning, sporting and extra-curricular opportunities and it is pleasing to see students make the most of these opportunities. Fully participating in College life does not necessarily mean always being the highest achiever but it does mean committing to being involved in all areas of our College, even where these are not areas of strength. It is in doing this, and supporting our whole College community that we can demonstrate our Gospel values.

Semester One reports are currently being prepared and will be forwarded to all families in digital format for the first time. Each family will receive an email with login details for our learning management system, SEQTA. Paper copies of reports will no longer be issued and families will be able to access all of their students’ reports from this year through this portal. Miss Caddick has done a large amount of work behind the scenes to get this system up and running and we are looking forward to its implementation.

We recently farewelled Mrs Jackie Nicholls, who has taught at the College for the past 5 years. Miss Brooke Pollard has stepped into the Maitland House Coordinator position for the remainder of the year. In addition, Mrs Nina Usher has now commenced her parental leave and we have welcomed Mrs Denise Myers-Reid to the College to replace Nina.

When families receive their student’s report, I would encourage them to sit down together to reflect on the results achieved and consider where improvements may need to be made. Early in Term 3, parents will have an opportunity to meet with their student’s teacher to discuss their progress. Please do avail of this opportunity, even if an interview has not been requested by the teacher. Year 12 students have a very short second semester, with only 11 weeks of teaching and learning remaining until their final exams. It is critical that their study and preparation routines are well established at this point.

A reminder to all Year 10 families that next Wednesday evening is parent information evening for students entering Year 11 in 2017. It is important that families come along to hear the information provided as requirements in Year 11 and 12 are very different to that of middle school. Mrs Antonucci will be outlining information around West Australian Certificate of Education requirements, university entry and vocational pathways. Heads of Learning Area will also be available to address any parent queries.

Next Thursday evening, Harding House are hosting a College social in the Gym. This is a great opportunity for our younger students in Years 7-10 to enjoy a social event outside the normal school environment. Tickets are on sale in Harding block, thank you to Mr Pedlar, Miss Nidd and the Year 10 Music students who are organising this event.

Our Centre of Artistic Development students performed at the Annual Teddy Bears Picnic on Thursday and were very well received by the younger students in our community. Mrs Slatter and Miss Nidd worked with these students to hone their performance skills. It was also wonderful to note quite a group of our senior students involved by doing face painting throughout the day, under the supervision of Mrs Gillespie.
The College is holding a Busy Bee next Saturday June 25, commencing at 8am. Please consider coming along to assist us during this time. We are particularly seeking to reorganise our under stage storage and focus our energy on laying large limestone blocks around the perimeter of one of our central garden areas. Please contact me at the College if you are able to assist us on the day – no help will be refused!

Last week, our Year 12 students attended a 2 day residential Retreat at Dampier Camp School. In previous years, the College has held a one day Retreat, but it was decided this year that an overnight experience would better allow them to connect with each other and immerse themselves in the activities. I was personally very thankful for their strong teamwork skills in constructing a seaworthy raft, which we were then able to “cruise” through Hampton Harbour! Mrs Tittums, along with House Coordinators, Mr Sharpe, Mrs Kinch, Miss Pollard, Mr Pedlar and Ms Creed worked very hard to ensure that the Retreat was a valuable experience – thank you to those staff.

Next Friday, we celebrate Founders’ Day in the College, commencing with Mass at 9am. Families are warmly invited to join us for this celebration. We will commence our King and Queen of the Mountain Race at 10.30am, and students will enjoy lunch and stalls following this. The day is always a wonderful celebration of our College history and it would be great to see parents at Mass and to cheer on the race.

This week, I was extremely proud to join three of our senior students who undertook Special Eucharistic Minister Training with Father Bernard. Grace Simon, Amelia Greensill and Morgan Hartland are now qualified to distribute the Eucharist at our College Masses, and this is the first time that St Luke’s students have participated in this role. As the Eucharist is the central nourishment of our faith, it is wonderful to have students who are keen take on the special ministry of responsibility. Thank you to Mrs Tittums and Father Bernard for organising this training.

A reminder to all families that our last day of school this term is Wednesday 29 June. All staff will be completing professional development on Thursday June 30 and the College will be closed on Friday July 1 for our annual Catholic Day. Term 3 commences on Monday July 18 for all students.

Wishing all families a wonderful weekend.

Alanna Otway
Principal
And so another term comes to an end, and what a busy one it has been.

**Year 11 Exams**

Well done to the Year 11 students for a smooth and efficient round of exams. The exam invigilators commented on how well the students behaved, and the respect and seriousness they showed of the exams.

**Parent Invigilators.**

A big thank you is extended to the parents who kindly offered their time to supervise the Semester 1 Exams. Not only did it take the pressure off the teachers, allowing them more time to focus on marking the exam papers, but it was also appreciated by the students themselves. They were comforted by seeing familiar, yet impassive faces, as opposed to their teachers’ faces. Please contact the College, if you are interested in helping out for future exams.

**SEQTA Engage/ Semester 1 Reports**

Parents will shortly be receiving emails regarding access to SEQTA Engage- this is a parent portal that allows parents to be involved in their child’s education, enabling them to understand what is happening at school, in all aspects; academic and pastoral. In the first instance, parents will be able to have direct access to their child’s Semester 1 Report. As time goes on, more features will become available to parents.

**Year 11 Course Changes**

The time to change WACE courses for Semester Two is fast approaching. A Subject Change Form needs to be completed. Please be advised that changes are not automatically granted; they are individually reviewed and an appointment must be made to discuss course changes face to face. Communication home, or a parental interview, about any course change requests will also be made. Please contact the relevant Head of Learning Area or myself for any further guidance.

God Bless,

Melanie Caddick
Deputy Principal Years 7, 9 and 11
The end of Semester One is rapidly approaching. Congratulations to all students, staff and parents on a wonderful first semester.

The tone of the school is excellent with most students adhering to the schools expectations. Year 10, 11 & 12 examinations have now finished with many students achieving results commensurate with their efforts.

Year 11 and 12 students are reminded of the need to re-focus on their studies for the remaining weeks of term. There can be a tendency to relax after the examination period – a luxury they can ill afford given the importance of the final two years of secondary school. When reports are posted home to students during the holidays, parents should note the comments made by teachers and particularly when an interview is requested, use the opportunity to meet with teachers at the Parent/Teacher interviews on the 27th July.

Parents please note that you are also encouraged to attend with your child. Online booking instructions will be sent home soon.

Teaching is about ensuring children are motivated. One of the many factors that play a part in the extent to which students apply themselves accordingly, is the environment in which they learn. If we wish to get the best out of our students the environment must be conductive to, and enhance the learning process. With this in mind I urge parents to support the College in its endeavor to improve the facilities of the school by attending the Busy Bee to be held on the 25th June.

As a school we aim to ensure that our students are always put first and the components of good teaching are always met. Our school has a great reputation due to the above features and I hope you have seen the growth in your children during this semester as they have engaged in the variety of learning activities that have taken place

Year 10 Subject Selection for 2017

Since beginning their secondary education at St Luke’s, students have undertaken a range of learning opportunities. All students should now have some understanding of their ability and suitability in most of the curriculum areas.

Year 10 marks a student’s transition into the Senior Learning Centre. Profound and rapid economic and social change is occurring in Australia and schools are increasingly being asked to deliver a curriculum that is challenging and relevant to each student’s needs. All Year 10 students will be receiving their Subject Selection Handbook on Monday 20th June. This outlines the subjects and possible learning pathways that are available to them as they move through the Senior Learning Centre. Please read the information carefully; you will see that there are many varied opportunities available for all students. The Subject Selection Handbook is designed to assist students in making the right choices for them – so they need to consider not only next year but also the possibilities that lie beyond.

It is important that all parents and students attend the Year 10 information night on Wednesday 22nd June from 6 to 7pm.

Sunniva Antonucci
Deputy Principal Years 8, 10 and 12
Blessings All,

Next week, Thursday 23rd June, Harding House will host the Year 7-10 school social. The money raised will be forwarded to Bishop Justin to distribute to the different agencies, which Communio assists, in the Geraldton diocese.

Retreats

Over the last couple of weeks, both the Year 12 Retreat and the Year 8 Retreat were held. The two day Year 12 Retreat was held at the Dampier Camp School. Students participated in some activities; attending Mass at St Peter’s Dampier, a visit from two of the Murujuga Land and Sea Unit Rangers, building a raft and a visit from Tom Mitchell, the head of St Thomas More Catholic Educational College.

On Wednesday 15th June the Year 8 Retreat was held at St Paul’s Parish Church and the Frank Butler Centre. Students attended Mass in the morning then had morning tea in the Parish Hall followed by a tour of the church, they the had a chance to ask questions of Father Bernard and listened to him speak about prayer, the Eucharist and about the Moses story and how it relates to our Church today.

Special Minister Training

On Wednesday 15th June three of our students, Grace Simon, Morgan Hartland and Amelia Greensill attended a training session with Father Bernard to become Extraordinary Minister of Holy Communion. This is a first at St Luke’s College, and I would like to congratulate these three students on attending this training and being the first students in the College to be Special Ministers of Holy Communion.

God Bless

Mrs Rhondda Tittums
Religious Education Co-ordinator

Important Dates

Founders Day Mass: Friday 24th June
NAIDOC Day Mass: Wednesday 29th June
The students of the Centre of Artistic Development performed at the Teddy Bears Picnic on Thursday 16th June at Bulgarra Oval. They performed two shows during the event much to the delight of the 0—5 year old audience and their parents.
Recording Task - Year 9 Music Elective

Written by Krysten Hyland.

The song we recorded and edited was ‘Pumped up Kicks’, which is originally played by the band Foster the People. We began our music lessons at the start of the year with learning the chords and bass line to ‘Pumped up Kicks’ on the classical guitar, which would end up being part of our first assessment task. These skills were then used to help us decide what song we would record, edit and produce for our second and third tasks in Term Two. As we already knew the chords, bass line and the structure of the song, Elizabeth and I decided to use that particular song.

Elizabeth and I chose the following instruments to play; djembe, bass guitar, electric guitar, classical guitar, shaker, tambourine, saxophone, piano and kazoo. We also used vocals which were performed by Elizabeth and Ms Nidd. I played the djembe, bass guitar and the tambourine with Elizabeth. Elizabeth played both electric and classical guitars and the kazoo with Ms Nidd. Georgia our fellow classmate, helped with playing the piano and shaker.

Each day we had Music we would set-up upon arrival. The equipment we had to set-up included; laptop, monitor speakers, ProTools hardware, extension cords and numerous other cables to connect everything together. Other equipment items that were required for recording included; 2 condenser microphones, microphone stands and headphones.

All of use took turns in producing and editing instruments and vocals to create our song. Once we finished producing, we edited and mixed our soundtrack, which meant altering volume levels and dynamics of each instrument so that they were in balance with each other.

Hi, I’m Elizabeth Phillips and I am one of the year 9 students who is currently studying Music this semester.

Ms Nidd gave us the task of producing an entire song, so we chose to produce a cover of ‘Pumped Up Kicks’ by Foster the People.

Krysten and I produced and arranged most of the song along with the help of Ms Nidd and our fellow classmate, Georgia. We played a total of 11 instruments between the four of us. This included saxophone, kazoo and djembe. Other standard rock/pop instruments were also used: electric and classical guitar, bass guitar and piano.

We chose this song because of how much creativity can be used with it and also because we would have fun in creating a different cover of this song. The song took the entire term to create as the process of making it included setting up our own little recording studio every lesson and hoping that the laptop didn’t die on us while we used it! This recording and producing task was really stressful but also really fun. Thanks Ms Nidd for teaching us, to make this was really enjoyable!

To listen to the finished product, please follow the link below!

ADIDAS FUN RUN 2016

On Friday the 5th June we held our annual Adidas Fun Run for students from Year 7 – 10. The morning started off with a lovely sunny day and a light breeze. All four of the house gazebos were put up by the Year 10 Sport and Recreation students in preparation for the Fun Run which was started after recess. Students made their way onto the oval in their brightly coloured house PE shirts.

All students gave their best and ran the 4km in good times and spirit. Many students displayed good athletic ability and wanted to finish the Fun Run competitively whilst others showed good social skills and wanted to complete the Fun Run with their friends.

All competitors had to complete a lap around the school to finish off the race and they were rewarded with an icy pole and a bottle of water. In addition students received a certificate of completion of the Adidas Fun Run.

Congratulations to all participants and many thanks to all staff who helped with officiating at the Fun Run. Special congratulations to Patrick Bowman from Year 7 Maitland on recording the fastest finishing time.

HEDLAND NETBALL/FOOTBALL CARNIVAL 2016

On the 1st June, 88 students from Year 7 to 10 travelled to Port Hedland to represent St Luke’s College in the Netball and Australian Rules Football Carnival, accompanied by Miss Tipa, Mr Pedlar, Mr McDonald and Mrs Ros Sharpe. There were two teams of Year 7/8 Girls Netball, 2 teams of Year 9/10 Girls Netball, a Year 7/8 Boys Football Team and a Year 9/10 Boys Football Team. The netball carnival was comprised of 21 teams. All from all schools in the Pilbara.

An excited group of St. Luke’s College students arrived at South Hedland and hit the ground running by having their first games at 12:30. All teams gave a very good account of themselves and played with determination and courage of conviction. This was a great learning curve for the teams competing against their local opponents from the vast Pilbara region from Tom Price, to Newman and our local neighbours Karratha High School.

The Wednesday was a long, tiring but exciting day for our students with some twilight netball games played. Students were treated to a BBQ dinner and had a great bonding session with their teams at the Andrew McCloughlin Centre where they were accommodated for the night. Great new friendships and school pride was built by sharing their experiences of the day and this gave them the determination to show team spirit on the following day of the Carnival.

Thursday morning dawned bright and after an early rising and breakfast students packed up their belongings and headed to the oval/netball courts for the days fixtures. This was a long morning with many hard fought contests on the courts and on the ovals.

The carnival was very exciting and students worked very hard to ensure they were placed in the Grand finals of their events.
The results were as follows:

Year 7/8 Netball Team 1 was placed 2nd overall in their category.

Year 9/10 Netball Team 1 was placed 2nd overall in their category.

Year 7/8 Boys Football Team was placed 1st and won the Hedland Cup Carnival.

Year 9/10 Boys Football Team was placed 3rd overall in their category.

The best and fairest players were awarded to:

Year 7/8 Netball Team 1 - Alycia Beunaflor
Year 7/8 Netball Team 2 - Jamie-Lee Hughes
Year 9/10 Netball Team 1 - Kahayla Walsh
Year 9/10 Netball Team 2 - Mackenzie King
Year 7/8 Boys Football - Lawson Humphries

Lawson also won the Player of the Tournament Award.

Year 9/10 Boys Football - Richard Shaw

Many thanks to the student coaches - Cheyenne Vandenberg, Kyann Verall and Jaymie Harris and the umpires Hayley Ladyman and Polite Kamudyariwa for their outstanding efforts and the leadership shown.

A special thank you to Mrs Ros Sharpe for her time and effort in helping coach and taking care of the wellbeing needs of the Year 7/8 Netball Team 2. We really appreciate your help Mrs. Sharpe.

Thank you to the all the parents for their support and congratulations to all teams, you did yourself proud and you were good ambassadors for St Luke's College.
On the 26th of May 2016 Jacqui Finnegan from Maxima (Indigenous Employment Consultant Agency) visited students at St Luke's College to chat to the Year 12 students about possible Traineeships after Year 12. Jacqui discussed Banking, Retail, Cabin Crew and Business traineeships. The students all received Jacqui's business card and have been encouraged to stay in touch and avail themselves of the current opportunities.

Jacqui from Maxima was also delighted to share a photo of one of last year's St Luke's students who secured a traineeship at Westpac in Wickham. Jade Steer is completing her Certificate III in Financial Services with Westpac through a Part-Time Traineeship and is combining this with her passion for Personal Training after hours. She is doing a great job and says she is really enjoying the support and experience that she is getting.

On the 2nd of June Adam Hawley signed up for a School Based Traineeship with KBSS Engineering. Adam and his father Dale are over the moon with this opportunity. Thank you to KBSS Engineering in Karratha and the staff from SMYL and CCIWA organisation who assisted with this sign up.

With the support of parents, SMYL and Dampier Salt, we are delighted to also announce that Jaymie Harris also secured an opportunity to commence a school based traineeship. Jaymie and his dad were present for the sign up on the 10th of June. Both are wonderful opportunities for these students.

Mrs Dalton welcomes companies to contact her should any School Based Traineeship or work placement opportunities be available within their organisation.

A warm thank you to the HOLA’s who met with the Year 10’s as a group during their Career class on the 8th and 15th of June. Very positive feedback was received from the supervising teachers the students, thank you to all for your time and support. Year 10 is such an important year for students as major decisions are to be made. Mrs Dalton recommend students to conduct a career test which would give students ideas on suitable careers. There will be a parent Information session on Wednesday June 22nd. Representatives from Woodside, Rio Tinto and CCI will present information on future opportunities for the Year 10 students going into senior school.
The Cert Pathway sheets and the Bullseye poster are also very good tools to help students think about possible careers and courses around their best grading subjects. Please find the Bullseye link and The Career Pathway link below.

https://docs.education.gov.au/node/33655  

It was a busy time of the term with students from Year 10-12 sitting their exams. Mrs Dalton wishes to encourage students to reflect on how the exams went, what went well or what they need to improve on next time for the exams. Mrs Dalton's door is always open to offer students support and motivation when needed. Please see Mrs Dalton if she can assist in any way. i.e. setting goals, study plans etc.

Reminders:
• TAFE dates - Please see the table of dates for the upcoming compulsory TAFE block at Pilbara Institute.

• The upcoming Year 12 revision courses from the 3rd of July - 9th of July in Perth. Mrs Govender and Ms Pollard will be the supervising teachers.

• Reminder to those selected to go on Work Placement at Woodside during the school holidays.

• For the students and parents of St Luke's College have an enjoyable holiday and have a restful break.

Best Regards

God Bless

Mrs Johann Dalton
Career Advisor

DISCO

YEAR 7–10

23rd June - 6.30pm to 9.30pm

Entry $5

Tickets can be bought at the college every day leading up to the event

All proceeds will go to the charity Communio

Contact Mr Pedlar for more information

Parent helpers welcome!
Karratha Education Initiative

LEEUWIN SAILING COMMUNITY SERVICE PROGRAM

The Leeuwin Adventure Sailing Program is designed to develop leadership, teamwork and communication skills.

In 2015, through the Karratha Education Initiative, up to 29 full scholarship positions (including travel to and from Perth) on the voyages will be available for students over the age of 15 years who have completed the Community Service Program.

Each voyage runs for six nights and seven days and take place between October and December 2016.

Requirements
Successful applicants will be required to undertake the following:
- Permission from Parent/Carer to participate
- Be able to travel on selected voyages
- Undergo community service hours within the selected time frame
- Complete log book
- Regular attendance at school
- Positive feedback on attitude and behaviour at school by teachers.

The closing date for registration to take part in this wonderful experience has now been extended. Application forms and information can be collected from the school office.

Proudly Sponsored by

North West Shelf Project

Please place order on lunch bag or envelope with your correct payment at the canteen OR in your PCG folder between 8:30 – 9:00am. Don’t forget to write your Name on your order. Don’t forget to read the newsletter for canteen news and special menu days. You can also place your order on line. Go to OUR CANTEEN ONLINE and follow the prompts. Any enquiries please phone Canteen Manager Jenny Scott.

Carol can be contacted by email with any uniform queries at 
uniform@stlukescollege.wa.edu.au

Uniform shop hours will now be

Tuesdays 11.15am—3.15pm

Thursdays 11.15am—3.15pm

Alternatively uniforms can be ordered online using the instructions below

**Online Uniform Shop**

Do you have trouble making it to the Uniform Shop during its opening hours on Tuesday or Thursday between 11.15 am and 3.15 pm?

Well, **now you can purchase uniforms online!**

Simply follow these steps:

  - Log In or Register
  - Click on Uniforms
  - Place your order
  - Send your child to the Uniform Shop on Tuesday morning to collect their uniform!

Further information is available via the College website at [www.stlukescollege.wa.edu.au](http://www.stlukescollege.wa.edu.au)

**Please Note:** Should parents/guardians have problems with entering their online order there is a help system. Parents/guardians can either email [info@ouronlinecanteen.com.au](mailto:info@ouronlinecanteen.com.au) or text message 0488 247 244 for assistance.

I am happy to let you know that we now have a small supply of second hand uniforms available through the uniform shop. Shirts, skorts and shorts will sell for $10 each and jackets for $30. I am also happy to accept any donations of uniforms that are no longer needed due to your children out growing them etc.

Thanks

Carol Potter

Uniform Shop Manager
A reminder to all students and parents that the afternoon buses start leaving the school at 3.05pm and the last bus is gone by 3.15pm. Students catching buses need to make their way as quickly as possible to the bus area at the 3.00pm bell in order to avoid missing their bus.

To learn more about the School Care Accident Insurance, please go to the St. Luke’s College website. Information can be found under the heading ‘Enrolment’.
A message from the Finance Department....

Reminder: Payment of Semester 1 Tuition Fees

Semester 1 tuition fees are now due. With the exception of those families already on a payment plan, this is an urgent reminder to those families who have yet to finalise payment to contact the College urgently to make arrangements.

If you are experiencing difficulties in paying your fees, please be assured, there is always a solution. Please contact the College to make a private and confidential appointment with the Principal to discuss what arrangements might be put in place to assist you in moving forward with your account, whilst still ensuring that your child remains part of our St Luke’s community.

Reminder: Fee Payment Arrangement

Thank you to those families who have already returned their 2016 Fee Plan Authority Form. This is an urgent reminder that all families MUST complete and return these forms to the College’s Finance Officer, Mary Epis in keeping with the College’s Fees Policy. Should you have any queries about your statement, please contact the College.

Wishing safe travels to those families and students taking a break over the upcoming school holidays.

Thank you!
Invitation to Participate

MODEL SOLAR CAR CHALLENGE 2016

On behalf of the Woodside operated North West Shelf Project Karratha Education Initiative, an invitation is extended to secondary students at St Luke’s College and Karratha State High School to participate in the 2016 Model Solar Car Challenge.

The purpose of the challenge is to promote and develop interest and expertise in using solar and renewable energies by school students throughout the world by using active learning processes in addressing real challenges. It is hoped that through this challenge, our future citizens, scientists and engineers will be encouraged to participate in the development of an environmentally aware approach to energy usage. This will be achieved through more efficient use of existing energy technologies and appropriate introduction of new renewable energy sources.

Local Competition:
Date: September 2016 (date and venue TBA)
Venue: Karratha WA (Venue TBA)

National Competition:
Date: 15/16 October 2016
Venue: Scienceworks Melbourne Vic

The competition has been conducted on and off for over 10 years. It is a race for model solar cars built by school age students over a period of time (either as an in school program or an after school program) which compete on a figure-of-eight track. Two cars race at a time, guided by parallel guide channels attached to the track surface. Time trials are held to "seed" the cars, that is, to allocate them to groups in such a way that the faster cars should not compete against each other in the earlier rounds. Pairs of cars then compete in an elimination competition in which the winners continue to the next round, the remainder are eliminated. This process of elimination continues until a winner is decided by being the only undefeated car. Early rounds are run as best of three heats and finals are run as best of five heats.

This is a fantastic opportunity for students of the Pilbara to show their talent in a friendly competitive environment.

Free Drama Workshop for Young Carers

School Holidays Program!

This three day drama workshop with Sundeisi Arts provides youth with a safe and encouraging environment to explore self expression and creativity.

Through group exercises and paired work participants develop their ability to collaborate and are sure to make new friends.

The core practices will be clowning, storytelling, speech and improvisation and at the end of the course each participant will be prepared to deliver a theatrical performance for their peers.

Participants will have the opportunity to perform on camera and learn the basic principles of acting for the camera as opposed to the stage.

3 day course
Tuesday 5th, Wednesday 6th and Thursday the 7th of July

The workshops will run in three age groups on each day:
10.00am - 11.00am 5-8 year olds
11.15am - 12.45pm 8-12 year olds
1.30pm - 4.00pm 13-17 year olds

**Term 3 Programs**

**Aug + Sept 2016**

**Kids Boxing for Fitness** on Mondays 3.30pm to 4.15pm, Ages 8-14yrs
Keep on your toes and put your fitness to the test. We’ll be very active and will remain safe in all drills and games. This is not a self-defence lesson but a fitness focused experience. Starts 8 August, runs 7 weeks. $105.

**Megasports** on Tuesdays 4.30pm to 5.30pm, Ages 4-8yrs
Try a different sport each week! Get involved in fun activities and games! Starts 2 August, runs 8 weeks. $120.

**Athletics** runs Mondays 3.30pm-4.30pm, Ages 6-12yrs
Participants will develop in the three key skill areas for Athletics, running (speed, agility and coordination), jumping and throwing. Get ready for lots of activity and games. Starts 8 August, runs 7 weeks. $105.

**Zumba** on Wednesdays 3.30pm to 4.15pm, Ages 6-11yrs
Dance to high-energy international beats. Before participants know it, they’re getting fit and having fun. It’s effective, exhilarating and easy! Starts 3 August, runs 8 weeks. $120.

**Mini-Megasports** on Wednesdays 10am to 10.45am, Ages 2-3yrs
An interactive experience aimed at improving fundamental movement of each participant with a sport focus. Participants will be introduced to a range of skills with a new sport every two weeks. A great way to try new games and skills. Starts 3 August, runs 8 weeks. $120.

**Mosaics for kids** on Wednesdays 4.30pm to 5.30pm, Ages 6-12yrs
Immerse yourself in a variety of hands-on mosaics each week using colour and design. Learn different techniques and skills to create amazing usable artworks. Starts 3 August, runs 8 weeks. $135.

**Mini-Masterchef** on Thursdays 3.30pm-4.30pm, Ages 6-12yrs
A fun cooking experience with certified nutritionist April Buts, showing how easy it is to create fun snacks and health meals. Parents are encouraged to come along to learn as well. Starts 4 August, runs 8 weeks. $135.
