"Be on guard! Be alert! You do not know when that time will come." Mark 13:33

Thursday 8th December: Feast of the Immaculate Conception of the Virgin Mary (white)
Sunday 11th December: 3rd Sunday in Advent (violet)
Sunday 18th December: 4th Sunday in Advent (violet)

In the Catholic Church, Advent is a period of preparation, extending over four Sundays, before Christmas.

The word Advent comes from the Latin advenio, "to come to," and refers to the coming of Christ. This refers, first of all, to our celebration of Christ's birth at Christmas; but second, to the coming of Christ in our lives through grace and the Sacrament of Holy Communion; and finally, to His Second Coming at the end of time. Our preparations, therefore, should have all three comings in mind. We need to prepare our souls to receive Christ worthily. The Symbols of Advent In its symbolism, the Church continues to stress the penitential and preparatory nature of Advent.

As during Lent, priests wear purple vestments, and the Gloria ("Glory to God") is omitted during Mass. The only exception is on the Third Sunday of Advent, known as Gaudete Sunday, when priests can wear rose-colored vestments. As on Laetare Sunday during Lent, this exception is designed to encourage us to continue our prayer and fasting, because we can see that Advent is more than halfway over.

Perhaps the best-known of all Advent symbols is the Advent wreath, a custom which originated among German Lutherans but was soon adopted by Catholics. Consisting of four candles (three purple and one pink) arranged in a circle with evergreen boughs (and often a fifth, white candle in the center), the Advent wreath corresponds to the four Sundays of Advent. The purple candles represent the penitential nature of the season, while the pink candle calls to mind the respite of Gaudete Sunday. (The white candle, when used, represents Christmas)

All students have been asked to donate something towards the Hamper of Hope Christmas Parcels. Any donations can be sent to school and your child/children can give it to their PCG teacher. All donations are appreciated and we look forward to supporting this very worthy cause.

The Salvation Army Karratha website also has more information on the Hampers of Hope and you can register as individuals or as an organisation or business to be a part of supporting The Salvation Army Karratha Christmas Hampers of Hope. They can also be contacted directly for further information.

HANDY HINTS: Ring-pull tins are preferred and long expiry dates please
Wherever possible, please refrain from purchasing no-name brands as people will be receiving these goods as a Christmas gift.
This is a simple way to make our ‘battling’ Aussies feel a little extra special at Christmas.

Centre of Artistic Development

Auditions for the 2017 intake will happen in February 2017.

Please watch out for further information.
This is the final edition of the Spirit of St Luke’s for 2016 and I would like to take this opportunity to thank our families for their support of and commitment to the College this year. Throughout 2016, we have sought to implement a range of changes which would have a positive impact on our students’ learning environment and outcomes. Our parents have had many opportunities to be more involved in volunteering at the College across a range of areas and it has been wonderful to see such a number joining us for our whole school events, including ceremonies, assemblies, Masses and carnivals.

Throughout 2016, our teachers have continued to work very hard in providing the best possible learning programs for our students and it has been pleasing to see so many students making the most of these opportunities. Our school climate data for 2016 indicates that our students have seen a strong improvement in the purposeful and engaging teaching of our staff and it is wonderful that this can be recognised.

Our focus on improving school facilities has continued throughout 2016, and it is pleasing to see the completion of our Performing Arts Centre, incorporating our Dance and Drama rooms, Digital Photography lab and Astronomy Observatory. In addition, we have undertaken some significant landscaping works in the College, which has seen a big improvement in the surroundings for our students. All student bathroom facilities have been upgraded throughout the year and are now of a lovely, modern standard. In the December holidays, our external painting program will commence, which will see all of our classroom blocks progressively painted to really lift the feel of our surroundings. Finally, an additional science lab will be operational for the commencement of the 2017 school year as a result of the conversion of our SC4 classroom. These improvements all work towards providing the best possible learning environment and resources for our students.

Recently, a group of Year 10 students presented a body of scientific research to the SciTech panel for consideration in the Beijing Bound competition. I am delighted to congratulate Satvika Soppadandi on her selection as a representative to present her research in Beijing next year. Congratulations Satvika, the scientific future is bright with our young minds involved! Thank you to the Year 10 Science teachers who have also supported our students in their research.

The Walkington Award, which is sponsored by the City of Karratha, is now in its 32nd year. This award recognises an outstanding young person in our city who gives back to the community and is worthy of a financial bursary for further study. Sophie Sparks, who recently completed Year 12 at the College, was the very worthy recipient of the award this year – congratulations Sophie and we wish you all the best for your future studies!

2016 marks 50 years of iron ore production for Rio Tinto in the Pilbara and some of our Year 10 students recently entered the Rio Tinto Groundbreaker Essay competition, which focussed on the changing face of the Pilbara over those years. Varun Jahagirdar and Satvika Soppadandi were the winners of this competition, producing excellent essays on the topic of change and development – well done!

Continued next page...
At the end of this year, we have a number of staff moving on from the College, for a variety of reasons. I would like to acknowledge the contribution of the following staff who we are farewelling at the end of the year, who have brought much to our College in the time that they have worked here. Our well wishes are extended to Mrs Antonucci, Mrs Koekemoer, Mr Harlen, Mrs Wiltschut, Mr Pieters, Mrs Hill, Mrs Eykyn and Mrs Scott. In any country school, we face the reality of staff moving on and we are fortunate to still have a strong complement of excellent teachers to continue our good work in moving forward. I am pleased to inform our community that as a result of the excellent calibre of applications we have received, we are fully staffed for 2017, as we welcome Mr Stuart Dale and Mrs Ritu Rawat back from leave, along with a number of new staff joining us.

2017 offers an excellent opportunity for our College to continue the good work of improvement which we have begun to ensure that our school is truly the school of choice in the Pilbara and one of the best schools in Western Australia.

To our FOSL committee who have worked extremely hard this year in not only fund raising, but to provide resources to our students, assisted with Graduation and are generous with their time at a number of school functions – thank you!

The College Board works very hard behind the scenes to ensure the ongoing financial viability of the school and our Board members give selflessly of their time. Our Board in 2016 has comprised Mr Gavin Becker, Mrs June Zaccheus, Mr Mark Simon, Mrs Elaine Wilson, Mr Nathan Hampson, Mr Brett Greensill, Mr Brian Howarth, Mr Shaun Dredge, Father Brian Ahern, Mrs Stephanie Gibson-Munro and Board Chair, Mr Roman Raudonikis. Roman has served as Board Chair for the past three year and is now leaving us as he relocated to Queensland with his family. Thank you Roman, for your energy and commitment in relation to all areas of our school – you will be missed.

Next year, there will be 2 vacant positions on our College Board and we will also be seeking nominations for the executive positions of Chair, Secretary and Treasurer. If you would like to nominate to be part of the Board, please email me directly, or you may nominate at the Annual General Meeting to be held on 7 February at 5.30pm.

Lastly, I would like to take this opportunity to wish all families a very happy and holy Christmas period. I pray that your travels are safe and your blessings are many. Thank you for the chance to work with your students this year, it has truly been a privilege for us to be part of their education. I look forward to welcoming all students back safely for the commencement of the 2017 school year.

Alanna Otway
Principal
It’s quite unbelievable that we’re at the final week of the year. It’s been a great first year for me— the students in particular have been most welcoming, and I’ve enjoyed getting to know them. I will be following the groups up to years 8, 10 and 12 next year, so I’m pleased that I can continue working closely alongside them again.

**Year 9 Leadership Day**
Just this week we had the whole Year 9 cohort off roll for the day, with sessions throughout the day on leadership, respect, trust and responsibility, as well as an introduction to the Peer Mentoring role that some of the Year 9s will undertake when they move into Year 10 next year. This is a valuable leadership role where the mentors will guide and advise the new Year 7s in their transition into High School.

**Year 9 Exams**
Congratulations to the Year 9 students who undertook their first ‘official’ exams this semester. I was very pleased with the way that they prepared, as well as the way they conducted themselves.

**Reports**
The year 7-10 Reports will be available on SEQTA Engage shortly. Please can I ask that you check your access to your SEQTA Engage account, as there will be a limited amount of time during the final weeks of the year to address these issues. You can access Engage through this link: [https://engage.stlukescollege.wa.edu.au/](https://engage.stlukescollege.wa.edu.au/).

I hope you all have a wonderful, restful break.

God Bless,

Melanie Caddick
Deputy Principal (Years 7, 9 and 11)
Dear Parents, Students and Friends of St Luke’s

Sadly, this will be my last newsletter for St Luke’s. It is hard to believe that I first arrived here in January 2008, nine years ago. The time has flown by and after getting used to the heat I can truly say the Pilbara became my home.

My family and I will be travelling to Katherine in the Northern Territory where I will take up the role as Deputy Principal at St Joseph’s Catholic School. Although I am sad to say goodbye to all the people who have become dear to me in Karratha, I am very excited at the opportunity of working in a K to 12 school and the new challenges that come with a new job.

I have seen many changes here from the day that I first came to St Luke’s but the one thing that hasn’t changed over that time has been the wonderful students and hardworking staff. A school is more than just a workplace, it is the students the staff and the parents that give it soul.

The culture that was set when I first came to St Luke’s is a testimony to the people who have dedicated their time around the holistic education of young people; I have watched the school develop academically and culturally through the cooperation of all staff, parents and students. The support they have shown me in my journey at St Luke’s College has been inspirational.

Like I said before, it has been a pleasure to work here, but more than that - it has been a privilege to have met and mixed with the people. I have enjoyed my time here, and I will miss all that this place represents. As with any special place, it is the people who make it and it will be those I will miss the most.

Even though I am moving to new horizons in different directions, I will take with me the happy memories I have of my time at St Luke’s.

Lastly would like to take this opportunity to wish all families in the St Luke’s College community a happy and holy Christmas and an enjoyable New Year. I trust the vacation period will be safe, restorative and lots of fun for all concerned.

God Bless

Mrs Sunniva Antonucci

Deputy Principal (Year 8,10,12)
Blessings All,

Well here we are at the end of the 2016 school year and what a year it has been. Christmas is always a special time of year. The decorations have gone up in the shops and the first and second candles of the Advent season have been lit. Advent is a time to prepare to celebrate the birth of Christ and a time for personal reflection. It is a time to look for ways to bring joy and peace to those around us.

It is timely therefore, to remember the Prayer of St. Francis, which states: “IT IS IN GIVING THAT WE RECEIVE”.

There are numerous ways that we can remember others during this time. Here at school our students have been contributing to The Salvation Army’s Hamper of Hope Christmas parcels which will be delivered to families needing assistance at Christmas time here in Karratha and surrounding towns.

The hampers will be presented to Captain Niall Gibson of the Salvation Army at our final whole school Mass on Friday 9th December 2016. Thank you to all students and staff that contributed to these hampers, your generosity reflects Jesus’ second great commandment of ‘loving your neighbour as you love yourself’. Each and every one of you are helping to end poverty, promote justice and uphold dignity.

As the year draws to an end there are a few people I would like to thank. During 2016 I have been very privileged to work with our passionate staff here at St Luke’s.

I would like to especially thank the Religion teachers and teacher assistants, Mrs Sladen, Mrs De Salve, Mr Broad, Mr McDonald, Mrs Antonucci, Mrs Gillespie, Mrs Dalton, Mrs Myers-Reid, Mr Sharpe, Miss Creed, Mrs Lennon and Mrs Gupta for their efforts, support and enthusiasm. Each of these staff members have made valuable contributions to the Religious Education Learning Area and the retreats.

Thank you to all students who have participated fully in the Religious Education program, their retreats and Year and House Masses this year.

I would like to wish all families, staff and students a very Merry Christmas and a safe and Happy New Year.

A final prayer for the school year:

Ever loving God
As we finish our school year,
let us give thanks
for all the good things we have received
and ask for blessings upon those
who are leaving St Luke’s College

God Bless
Mrs Rhondda Tittums
Religious Education Co-ordinator
HAYLEY WINS GYMNASTICS COMPETITION IN BROOME

From the 26 – 29 August 2016 Hayley Moyle participated in the North West Gymnastics Competition in Broome.

Hayley came first in the beam, vaulting competitions and was placed second in the uneven bar and floor sequences. She was placed first in the overall level 6 competition.

She also participated in the tumbling completion in which she was placed seventh overall.

Hayley’s club, the Karratha Gymnastic Club, took out first place.

Well done to Hayley for her commitment and dedication to her gymnastics. She trains for 9 hours each week to ensure she excels on the floor, bar and vaulting routines. Hayley’s motto is “do your best no matter what”.

K. Govender

Physical Education
It is a great pleasure to announce the below students have successfully secured a SBT for next year:

Ben McNeair - Argonaut Building and Construction. RTO - North Regional TAFE
Stanley Tittums - City of Karratha. RTO - Tubal
Michael Edwards - Specialised Truck Services. RTO - North Regional TAFE
Kevin Hughes - City of Karratha Depot. RTO - North Regional TAFE

Congratulation once again students! Thank you ever so much to the companies, the RTOs and the Coordinator Mia (from SMYL) (photo below).

I also wish to thank all the local companies who have supported the Yr 10 Work placement program. It is such a valuable experience for students to gain a taste of a day in their desired Career and have exposure to the daily tasks (from routine - high order). From what I hear the students are doing well. The companies' time and support is much appreciated. Should there be any additional companies that wish to support this program next year, please email Mrs. Dalton, and your details will be saved on the database.

Due to popular demand from the students, we are grateful to announce that Start Smart shall be returning to St. Luke's College to present to the Year 7-10 students. Start Smart is sponsored by the Commonwealth Bank and they offer an array of presentations and resources to students in each year group. Each workshop is tailored towards a topic of direct relevance to secondary students’ daily lives and experiences: Earning, Saving, Spending and Investing.

Thank you to the parents, students and staff at St. Luke's College, and all the external organisations for all your time and support, it is much appreciated.

Mrs Dalton would like to wish you all a fabulous festive holiday and a Happy New Year. God Bless
School Holiday Work Experience Program

Austal are offering work experience opportunities in January 2017, over the school holidays for 2 week placements:

- Wednesday 4 January - Tuesday 17 January
- Wednesday 18 January - Tuesday 31 January

Working hours are 6am-4:30pm Monday to Thursday only each week.

Available Opportunities

Aluminium Fabrication and Welding - Marking, cutting, shaping, assembling and joining metal components

Electrical - Installing, commissioning, altering, repairing and maintaining electrical systems designed to provide heat, light, power and control

Marine Fitout (Cabinet Making) - Fitting out the interiors on all types of vessels working with aluminium honeycomb light-weight panels

Marine Fitting (Engineering) - Fitting and assembling parts and sub-assemblies made from metal and other materials to make production machinery and other equipment and work on all aspect from installation of main equipment, fabricating and pipe work through to testing and commissioning

How to Apply

1. Complete the Work Experience application form:
   http://australia.austal.com/careers-austral-australia

2. Email to careers@austal.com

For further information, contact Sarah in the Human Resources team - (08) 9410 1111

Vacation Student Employment 2016/2017

Well done to the students who applied and were successful in securing a place on the Rio Tinto Vacation Program. The Vacation program is a highly sought after program which invites students from Year 10-12 to apply for a two-week paid work placement at Rio Tinto.

This year there was a 100% success rate with placement, having managed to place every student that applied for the program. This is a great outcome so far, and I hope the students enjoy their time out on site.

Thank you to all the staff from Rio Tinto and from the Skilled office in Karratha who coordinate this valuable program.

Best Regards

God Bless
Mrs. Johann Dalton
Career Advisor
Beijing Bound Competition

The 11th November saw five dedicated Year 10 St. Luke’s students compete for the opportunity to travel to Beijing in 2017 as part of the Rio Tinto and Scitech sponsored competition.

Beijing Bound is open annually to Year 10 and 11 students from Tom Price SHS, Karratha SHS and St Luke’s College, giving them the opportunity to be mentored by a Rio Tinto graduate and create a research project on a topic of their choice.

Beijing Bound provides secondary students in the Pilbara region with an exciting opportunity to combine a passion for science with their knowledge of the region, undertake scientific research and make a real contribution to the Pilbara science community and greater Western Australia.

Under the guidance of a Rio Tinto graduate acting as their mentor, students develop a research project, collect data and submit regular progress reports on their project. At the end of this period students prepare a final report, a short oral presentation and informative poster detailing their findings.

The following five students presented during the morning, before nervously waiting for the judges’ deliberation.

Benjamin Merry – Using bacteria from Pilbara salt flats to generate electricity
Navyaas Shukla – The contribution of industrial pollution in ocean acidification
Priyanshu Malik – The respiratory harvester
Satvika Soppandni – Aeroponics, the future in soilless agriculture
Varun Jahagirdar – The effect on varying salinity levels in soil on biodegradation

The judges from Scitech and Rio Tinto had a difficult choice, with the quality of work completed and presentation being outstanding. All students are to be congratulated on their efforts and commitment to completing the projects.

It was with great pride that Satvika Soppandni (SLC) and Joshua Lyon (KSHS) were announced as the two winners of the competition. They will now have the opportunity to travel to Beijing with their mentors to present their work at the Beijing Youth Science Creation Competition in 2017.

Congratulations Satvika!

Jenefer Wiltschut
BSc. (Hons.), Dip. Ed. (S.Ed.)
Head of Learning Area - Science
The group representing St Luke’s College: Varun Jahagirdar, Priyanshu Malik, Navyaa Shukla, Benjamin Merry and Satvika Soppadandi.

Joshua Lyon (KSHS) and Satvika Soppadandi are now officially Beijing Bound!
Year 11 Camp – Perth

During week 5, the Year 11 students travelled to Perth for their camp. The purpose of the camp was to expose the students to TAFE and University courses and to explore the relevant pathways for their careers.

The group visited the universities and were able to view the different campus styles, explore the unique features of each campus and observe what life as a university student looks like. The students were lucky enough to be guided by current students of the universities who were able to provide honest opinions of their university.

The students enrolled in General courses were given the opportunity to explore and build upon their current skills set which are desirable for their workforce that they are interested in entering. They also visited the North Metropolitan TAFE campus where they witnessed students in action, applying their skills in the areas of hospitality and automotive trades.

The camp also allowed for the students to come together as cohort to visit Br. Ollie Picket, one of the founding brothers of St. Luke’s College. The students were given a tour through the Wheelchairs for Kids factory and were shown the processes involved in creating a wheelchair for children whom are victims of landmines. It was a very humbling experience and a proud moment when the students rallied together to raise $540 as a donation.

One of the highlights was when the cohort attended a tour of the West Coast Eagles club. The students were shown the gym facilities the players use daily, enduring tough fitness regimes. We were also taken out to the oval and spent some time in the club room and kicked the football around.

Overall, the camp saw the group of students learn about life after their time at the College and were able to develop their teacher-student relationships with the staff that attended.

I would like to thank Mrs Govender, Mr Sharpe and Mr Broad for giving up their time to supervise the students for the week. I would also like to thank the Year 11 students for their manners and maturity whilst away – they represented the college positively.

Miss Brooke Pollard
Year 11 Camp Coordinator - 2016
A message from the Finance Department…

General Reminder:

This is a general reminder to all families that school fee balances should have been finalised by 30 November 2016. Could those families who have yet to organise final payment please contact the College **urgently** to make arrangements.

*If you are experiencing difficulties in paying your fees, please be assured, there is always a solution. Please contact the College to make a private and confidential appointment with the Principal to discuss what arrangements might be put in place to assist you in moving forward with your account, whilst still ensuring that your child remains part of our St Luke’s community.*

*As this is the final newsletter for 2016, we would like to take this opportunity to wish you all a happy and safe Festive Season - Merry Christmas!*

God Bless
Canteen

As this is the last newsletter of the year, I would like to say GOODBYE to you all.
I have loved my time at St Luke’s College and I am sorry to leave.
After 34 years in Karratha, my husband and I are moving down south and looking forward to the changes that come with it.
There is so much I am going to miss from the Pilbara and I will be back from time to time to say hello.
I wish you all a Happy and safe Christmas and good luck to you all.

Thanks
Jenny Scott (St Luke’s Canteen Manager)

Uniform Shop

I would like to inform parents/guardians that there will be a price increase in school uniforms for 2017.

The price list still to be confirmed, our online canteen uniform ordering will indicate updated prices which will be out towards the end of the term. These prices are in line with a number of private schools around WA, due to being a relatively small school our bulk orders are smaller than requested by suppliers, which raises the price slightly as well as freight costs.

Uniform shop will continue to be open Tuesday and Thursday 11-15am to 3-15pm until 8/12/2016.

Re-Opening Monday 30th and Tuesday 31st January 2017 from 8:30am—12:30pm

Thanks
Carol Potter,
Uniform Shop Coordinator
Library News

Electronic Devices

In a bid to curb screen time and monitor the use of electronic devices, no iPads or laptops are to be used in the library before school/at recess/at lunch unless they are being used for study. Desks have been allocated for this purpose. Please note also – mobile phones are not permitted to be used in the library during school hours as per the College IT policy.

Parental Control Apps

Please be aware that Parental Control Apps are available to assist parents in controlling the use of their child’s electronic device.

Purchase of Books

Students are welcome to request books/games/activities they are interested in be purchased by the library for use in the library or for loan.

Thanks!

Kind regards,

Susan Babao
Library Officer

Karratha Dental Service

Students are able to attend a Dental Therapy Centre until they reach the age of 17 years or until the end of Year 11. Once enrolled with our service, an appointment will be posted to your home address when your recall is due. To ensure that you receive your appointment please ensure we have the correct details.

The Karratha School Dental Therapy Centre, based at Karratha Primary School, Turner Way, Bulgarra, will be closed from Thursday 15\textsuperscript{th} December and will reopen Thursday 2\textsuperscript{nd} February, 2017.

In the event of an Emergency over this period, please contact your local Dentist, The Hedland General Dental Clinic – 91722223 or Dental Health Services Head Office 93253452.

Have a safe and Happy Christmas and Holidays,

Kristy and Carol.
Dental Therapy Centre
